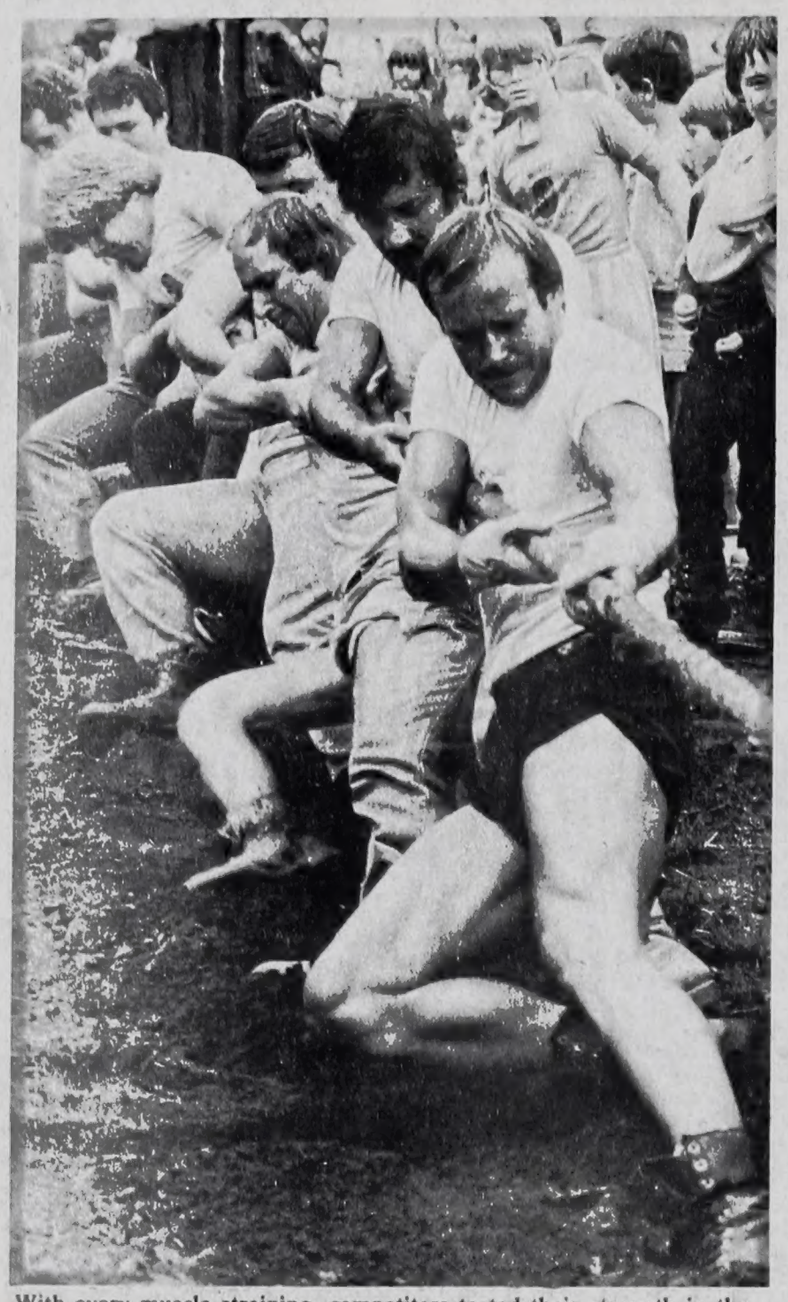
THE HALIBURTON COUNTY ECHO
AND MINDEN RECORDER

Vol. 101 *No. 47* *Wednesday, August 3, 1983* *"Voice of the Highlands"* *18 pages* *35 cents*



With every muscle straining, competitors tested their strength in the tug-of-war at Gooderham's Horseshoe Days festival on Sunday. Lake Wenona was the winner among the men, with Tamarack Lake's team taking the women's title.

Heart chapter a possibility

Volunteers needed to bring program to community

A local chapter of the Ontario Heart Foundation could be formed later this year if volunteers can be found to serve on an executive.

Ralph Oldfield, coordinator in the Foundation's Peterborough office, says a local chapter would "handle all of the functions of the heart foundation, including the annual campaign and special events". It would operate under the supervision of the provincial board of directors, who decided recently to establish "charter chapters" in every county in Ontario.

"The object is to bring all of the resources of the heart foundation to the community" Oldfield says. These include public education forums, films, and literature aimed at educating people about heart problems and ways to minimize the risks of premature heart disease. "That's the main thrust of the foundation", Oldfield says, "health education and care".

Oldfield says he will be spending time in the county in August and September "interviewing people who would be interested in joining a local chapter either on the executive or as a member at large."

The positions are strictly voluntary. Anyone interested in serving on a local chapter, or who wants more information about it, can reach Oldfield in Peterborough at the Ontario Heart Foundation, 755 Chemong Road, K9H 5Z2, or by telephoning (705) 745-9711.

Lack of food is making bears bolder

Green plants and lake levels aren't the only things being affected by the dry weather conditions that have prevailed over the last month and a half - local wildlife is also suffering from lack of food. A Ministry of Natural Resources official says hungry bears have been showing up near cottages and at dump sites, prompting a number of calls to the local MNR office.

Dave Atkinson, Fish and Wildlife supervisor for the Minden district, says a poor berry crop due to the near-drought is forcing bears to look for food closer to inhabited areas.

Atkinson says his office has received several calls from cottagers and camp owners about nuisance bears recently. The local MNR has three live traps for capturing nuisance bears, which are then transported away from their favorite haunts and released unharmed. If the problem persists, or if a bear is thought to present a particular danger, it is destroyed.

Atkinson says a mother with three cubs had to be killed in the Halls Lake area recently because she was causing problems at cottages.

To minimize the risk and help ensure that bears do not have to be killed, local residents should take care not to leave garbage lying around, Atkinsons says. Bears are attracted by the smell of food and the promise of an easy meal, but will stay away from people if they are not tempted by food smells.

Above all, no one should approach a bear, no matter what the circumstances. They are unpredictable, and can inflict serious injury on the foolhardy.

Fun run to kick off Rotary Carnival

Haliburton Rotary Club's summer carnival kicks off this afternoon (Wednesday) at 5 p.m. with a 10 kilometre fun and fitness run. The event will start and finish at the government dock on Head Lake, and there's still time to register, if you think you've got the stamina for it. You can enter your name up to 4 p.m. at the information caboose on the lakefront. Entry fee is $2.

If you're happier eating than running, you can take advantage of the beef barbeque at the ball diamond between 5:30 p.m. and 8 p.m., but be sure to be back on main street in time for the parade. It will get underway at 6:45 with the Toronto Star robot leading the way. Theme of this year's parade is Haliburton: a Four Seasons Playground, and organizers are hoping local businesses, organizations and individuals will take part.

At 8 p.m. a bingo will get underway in the Legion Hall, and at the same time a dance will start in the curling rink, with music supplied by Ed Whiteway. Admission is $2.

If you're feeling strong, why not enter the arm wrestling competition. There'll be cash prizes and trophies in four classes. Registration opens at 8 p.m. in the curling club, and the event gets underway at 9:30 p.m.

Throughout the evening a midway will operate in the ball diamond, with games, rides and food.

Thursday's events will include the midway, and a horseshoe tournament in Head Lake Park. It begins at 3 p.m., and continues until a winner is declared.

To get the evening's festivities going there will be music in the bandshell beginning at 6:30 p.m. At 7 p.m. the focus will shift to Head Lake itself, where the Labatt's water ski show should provide plenty of action and excitement.

Rounding out the second and final day of the carnival is a dance in the curling club beginning at 8:30 p.m. with music by 'Six Pack'.

OPP busy on weekend

Car accidents produce injuries, charges laid

Minden OPP officers were kept busy over the weekend investigating a total of 132 occurrences, including 19 motor vehicle accidents in which 11 persons were injured, 19 thefts, four damage complaints, eight liquor charges and numerous complaints of loud parties.

Among the most serious occurrences:

• Four youths from the Hamilton/Dundas area were charged with criminal negligence in the operation of a motor vehicle after two of them were seen riding on the vehicle's hood.

The four were observed by Constable Al Bibby, who was on patrol on Highway 121 in Dysart Township. The vehicle was repoted to be travelling at highway speed or above, with two people on the hood.

All four were charged, and are scheduled to appear in court August 17 in Minden.

• Three people were treated for minor injuries following a two car collision on Highway 35 at the Minden by-pass Sunday afternoon.

Police say John Ellsworth, 36 of Toronto was stopped and waiting to

Please turn to Page 2

Minden hires consultants

A Toronto based consulting firm has been retained by Anson, Hindon and Minden council to begin work on an official plan for the municipality.

At a meeting last Tuesday, council accepted a quotation from Robert Lehman Planning Consultants Ltd. for the work.

Final details of the contract between the municipality and the company have yet to be worked out. A representative of the firm is expected to attend council's August 11 meeting, after which complete details of the cost and terms of reference will be made public.

It is anticipated that work carried out by consultants who drafted a new zoning by-law for the municipality in 1982 will be incorporated into the official plan.

Midnight Madness draws huge crowd

Haliburton Village went 'mad' Friday night, but the insanity was temporary, and the only charges that resulted were lower charges at the cash registers of area stores. The occasion was the third annual Midnight Madness Sale, a cooperative venture among the Haliburton County Echo and merchants in Haliburton, Eagle Lake and Haliburton Lake.

The promise of low prices, special prizes and a festive atmosphere drew thousands of people to the community. Customers began lining up as much as a half hour before the scheduled 10 p.m. opening time, and the streets thronged with shoppers throughout the two hour sale.

Many people came in night attire, wearing humourous makeup, outlandish pajamas, and carrying teddy bears and other stuffed toys. At 11 p.m. close to 20 people lined up in the village square to vie for two $25 prizes courtesy of the Echo. Judge Grant Rae and his assistants had a difficult job picking winners, and would have liked to give prizes to just about everyone, but in the end they chose Jennifer Armstrong and Pete Turner as the best dressed in the contest.

Throughout the sale many local stores offered free coffee, soft drinks, hot dogs and donuts, and business was steady.

Although the lineups were long, people used the opportunity to talk to their neighbors and make new friends, all of which contributed to the enjoyable atmosphere that prevailed.

Adding to the mood of the night were Porcupine Lumber Company, whose country music kept toes tapping along main street right up to midnight.

A number of stores held in-store draws, and the names of the winners can be found in an advertisement in this week's paper. In addition, the Echo contributed nine prizes worth approximately $50 each, and the winners' names appear in another advertisement in this week's edition.

All in all the third edition of Midnight Madness was a huge success, and new ideas for next year's sale are already being discussed, which means that shoppers will have even more to look forward to when the 1984 Midnight Madness sale rolls around.

This happy group was waiting to be judged in the Midnight Madness sale in Haliburton. As the picture Echo sponsored night attire contest at Friday night's shows, the competition was keen

Stanhope council minutes

Stanhope Township council held a regular meeting July 13.

Members present included reeve Harry Davis, deputy-reeve Elgin Stouffer and councillors Elivn Johnson, Ann Barker and Dale MacDonald. Also in attendance were the following individuals and delegations: James Moore, by-law officer; Derek Rolfe, re: airport business; Harold Barjarow, road superintendent; Bob Cowen, municipal insurance review; John Barclay re: recreation committee; and Dr. George Morrow, interested citizen.

Mrs. Ann Barker declared a conflict of interest on the following items: General Account 19 - purchase of supplies for daycare centre, fun day committee and fire department. Item 23 - recreation committee, fun day committee supplies. Item 29 - spouses' account. Item 33 - catering at the late George Wilson Reception. Item 9 under general business on the agenda - air conditioning for library.

Elgin Stouffer declared the following conflicts: General accounts 31 and Road Voucher 6, both of which consisted of purchases of material.

Members refrained from discussion or voting on the noted items.

Minutes of the last regular meeting held June 8, 1983 were adopted as circulated.

Council approved of severance application number H-61/83 subject to a minor variance to allow a less than minimum frontage requirement on the retained lot.

Council approved of severance application H-81/83 subject to a zoning amendment by-law changing the zone from rural to rural residential.

Council authorized payment of $1,500 to the Stanhope Airport Committee to financially aid in the Airshow expenditures absorbed at the Stanhope Fly-In held July 10, 1983.

Council approved of the acceptance of public parking area at Little Hawk Lake for maintenance purposes only with the understanding, abutting land owned by the Crown, will be made available to the Township for enlargement of the parking area, if required and necessary.

Council donated $100 to the Lambton County Tornado Relief Fund.

Council requested the Ministry of Environment to carry out cottage pollution program studies on all lkaes

program studies on all lakes within Stanhope Township except Boshkung. It is understood these studies will be similiar to that which was carried out on Boshkung Lake in 1982.

Council approved in principal of a preliminary plan of survey dated October 22, 1983 by Paul Wilson, O.L.S., describing part of an original allowance for road between lots 15/16 concession 1 Stanhope which noted road allowance has been requested to be stopped up, closed and conveyed by the Zion United Church. The surveyor was requested to deposit the plan in the Registry Office and forward copies of the deposited plan to th eMunicipal Office for processing of the road closing by-law. The

Mapping cost shared

AH & M, Lutterworth agree on funding

Anson, Hindon and Minden council has agreed to share the cost of mapping the flood plain of the Gull River with Lutterworth Township, an arrangement which is expected to save money for both municipalities.

At a meeting last Tuesday, Minden council agreed to pay $22,898 toward the mapping costs, or 65 per cent of the total cost of $35,227.

The work, to be carried out by Paragon engineering, is expected to begin soon, and will be under the direction of the Ministry of Natural Resources.

Mapping of the flood plain is an essential step in the process leading to an official plan for Anson, Hindon and Minden.

OPP busy on weekend

from page 1

turn left when his car was struck in the rear by a vehicle driven by William Hutchinson, 24, of RR2 Minden. Both drivers and passenger Ramona Ellsworth, 43, were treated for minor injuries at Minden Red Cross Hospital.

Hutchinson was charged with careless driving.

Damage to Ellsworth's car was estimated at $4,500, and at $2,500 to Hutchinson's vehicle.

• A West Guilford youth suffered broken ribs in a single car mishap on North Shore Road in Stanhope Township early Monday morning.

Rodney Sisson, 16, was injured when he lost control of his car on the wet road. The car entered the ditch and rolled over, sustaining an estimated $5,500 damage.

He was charged with careless driving.

• Sometime during the past week two outboard motor gas tanks were stolen from a boat moored at a cottage on the east side of Gull Lake in Lutterworth Township. This brings to eight the total of gas tanks stolen on Gull Lake during the past two weeks.

Police say there are no suspects as yet.

• And in other matters, the Minden detachment's marine patrol reports that the life jacket law is not being observed on small craft throughout the county. The Canada Shipping Act states that every vessel must carry one approved small vessel life jacket, personal flotation device or approved life saving cushion for each person on board.

Fifteen people were charged in the past week for contravention of this law.

Owners petition Hydro

A group of ratepayers in Minden Township has petitioned Ontario Hydro to service their properties.

The petition, a copy of which was forwarded to the municipality, asks Hydro to install service in an area between Queens Line and Highway 118 near Brady Lake.

Residents of the area got telephone service trough a similar request last year.

Close to 20 names appear on the petition.

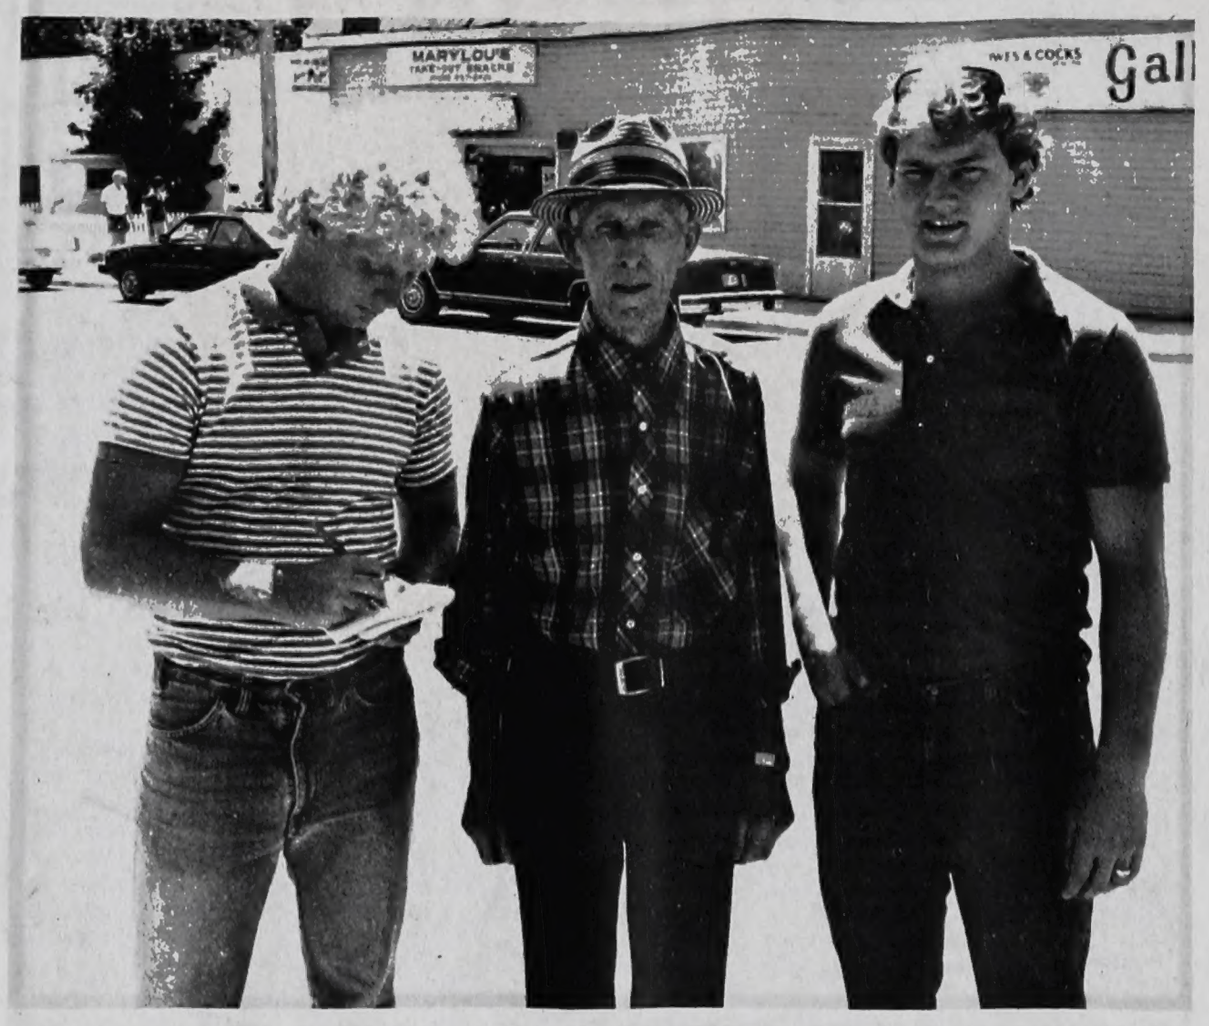
Camp compatible with river park

Existing hunt camps will not be affected in any way by the designation of areas at each end of the Madawaska River as waterway park candidates, Natural Resources Minister Alan Pope said.

"We feel that hunting is entirely compatible with our overall policy to protect this waterway," he said.

Premier William Davis, in response to a letter from Godfrey Barr, trustee and secretary-treasurer of the Buck Bay Hunting Club in Camden East, also said that existing hunt camps will not be affected.

The Lower Madawaska and Upper Madawaska candidate parks are 200-metre strips of land along both sides of the Madawaska River. They were among 155 identified in the ministry's land use guidelines, released last month.



Wes Baker of Haliburton has been a hockey enthusiast all his life, but last Tuesday he got a special thrill when he met the Larmer brothers, Jeff, left, and Steve, who were visiting relatives in the area. Jeff plays with the New Jersey Devils while Steve, of the Chicago Black Hawks, was NHL rookie of the year.

Bell tough on long distance fraud

In an effort to cut down on fraudulent long distance calling, Bell Canada, starting October 17, will verify all third number calls billed from coin telephones.

This is the third and final stage of the Company's plan to cut down on fraudulent third number calls billed from a payphone.

Last year, Bell operators stopped accepting third number local calls billed from coin telephones.

On April 15 of this year, on all third number long distance calls from coin telephones operators began attempting to contact the biller party to confirm that the person placing the call was known and that the charge was acceptable. However if verification was not possible because the line was busy or there was no answer, the call was still put through.

Starting October 17, all such numbers will have to be verified before the call is connected. If there is no answer or a busy signal at the billing number, the person placing the call will have the option of paying by coin, calling collect or using a long distance Calling Card, or calling another time.

Murray Makin, Bell's vice-president of customer services said the October 17 date was chosen to allow customers who regularly make third number calls from coin telephones to obtain Calling Cards.

"Calling Cards will allow customers to charge long distance calls at regular operator-assisted rates," Makin said.

Calling Cards are available to qualified business or residence users at no charge and can be obtained by completing the application form that will be enclosed with their August telephone bills.

In 1982 there were more than 250,000 fraudulent third number long distance calls placed from coin telephones in Bell territory resulting in a loss of more than $1.3 million. This is a 90 per cent increase in fraud of this type since 1980.

Man hurt in Sky Slider mishap

A Toronto area man was seriously injured early Monday evening in an accident at the Sky Slider ride in Haliburton.

David Alexander Smith, 21, of Downsview was injured when his cart jumped from its track. He landed on the adjacent track, sustaining severe cuts to his upper leg, arm and shoulder.

He was treated in Haliburton and transferred by ambulance to Sunnybrook Hospital in Toronto.

Correction

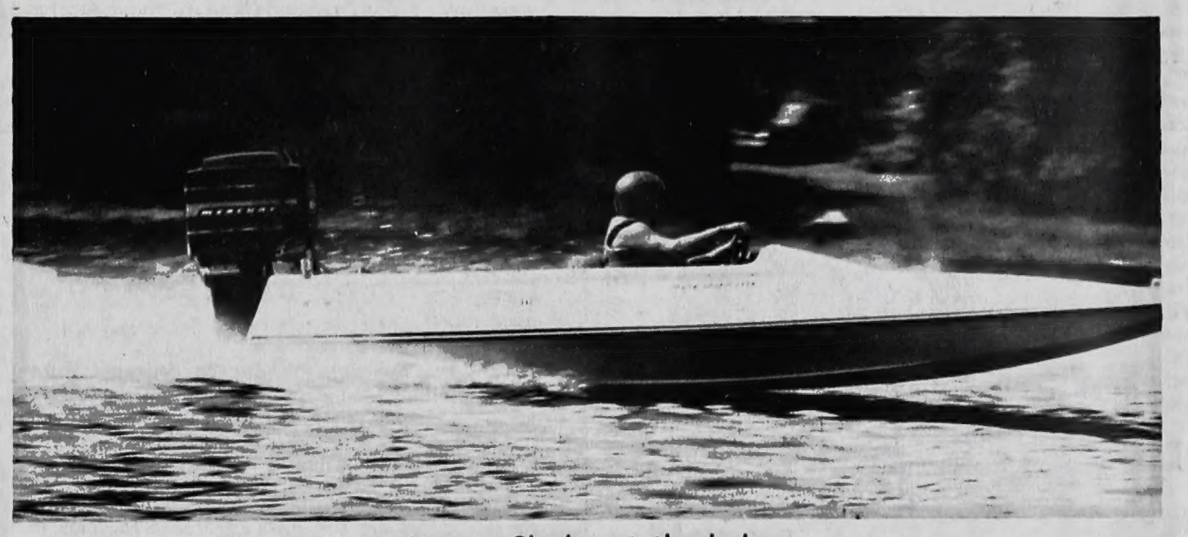
Kennisis Lake regatta a day of fun

Canoe races keenly contested



Steven Clarke at the helm

It was a good day for people watching

25th annual get-together

Hundreds of spectators and participants turned out on Saturday to be part of the fun at the 25th annual Kennisis Lake regatta. Blue skies, warm temperatures and a three day holiday for most people combined to attract over 400 individual entries for Saturday's events, with additional competitions held Sunday for sailing enthusiasts.

While some of the events fostered keen competition, most were light-hearted, with the emphasis on taking part rather than winning.

This was especially so in the beauty competition for men and women, where the entrants showed up in weird and wonderful costumes, and did their best to sway the judges with amusing antics.

Results of the swimming races are as follows:

Marathon Swim - first male, Rob Kozak; first female - Rhonda Kozak.

Boys and Girls 6 years and under - first, Laura Gibbens; second, Laura Lancia; third, Diane Peck.

Boy eight years and under - First, Chris Hewitt; second Matthew Ball; third, Chad Inness.

Girls eight years and under - first, Casey Yanin; second, Jennifer Peck; third, Andrea Gibbens.

Boys 10 years and under - first, Todd Williamson; second, Bruce Ysselstein; third, Christopher Ball.

Girls 10 years and under - first, Stephanie Wright; second, Darcy Gillespie; third, Joanne Whitely.

Boys 12 and under - first, Jimmy Gibbens; second, Scott Williamson; third, Tom Castagnola.

Girls 12 and under - first, Leslie Howitt; second, Jennifer Gibbens; third, Sharon Berlin.

Scores of medals

Boys 14 years and under - first, David Howitt; second, Alex Petrie; third, Paul Wallace.

Girls 14 years and under - first, Kim Wright; second, Leslie Howitt; third, Renee Perrotto.

Boys 16 years and under - first, Rob Esslemont; second, Jim Gibbens; third, Alex Petrie.

Girls 16 years and under - first, Kim Wright; second, Leslie Howitt; third, Jodi Meisl.

12 years boys and girls with flippers - first, Scott Williamson; second, Jimmy Gibbens; third, Tom Castagnola.

In Grandma/Grampa's egg toss, the winners were Dolly and Jimmy Simpson.

A boat parade was also held, with first prize going to the Pecks, second to Stock/Threppleton; and third to Lancia.

The Curry Trophy race for open horsepower boats was won by Steven Clarke, with Franke White second and Bill Warne in third spot.

The KLCOA trophy race for open horsepower V bottom boats was won by Barry Pierson, with Bill Warne second, and the Vanderborg entry third.

Winner of the race for Sea Flea boats was Duncan McCallum. Second was James McCallum, with Scott Green crossing the line in third place.

In the race for boats of 10 horsepower and under, Mark Morrison was first, with Randy Benson in second and Dave Palmateer third.

In the swimming race for women 17 years and over, Dawn Ball was first, Denise Ball second, and Paula Kleinschmidt third.

The single man canoe race was won by Jeff Pinkney. Mike Reiter was second, with Rick Benson finishing third.

In the swimming race for men 17 years and over, Doug Lenart topped the field, ahead of second place finisher Paul Tierney, and third place finisher Steve Hewlett.

The backward canoe race for two paddlers was a humorous affair that produced some close calls and a few bumping incidents. The Burches were quickest, followed by the team of Cooper/Board-

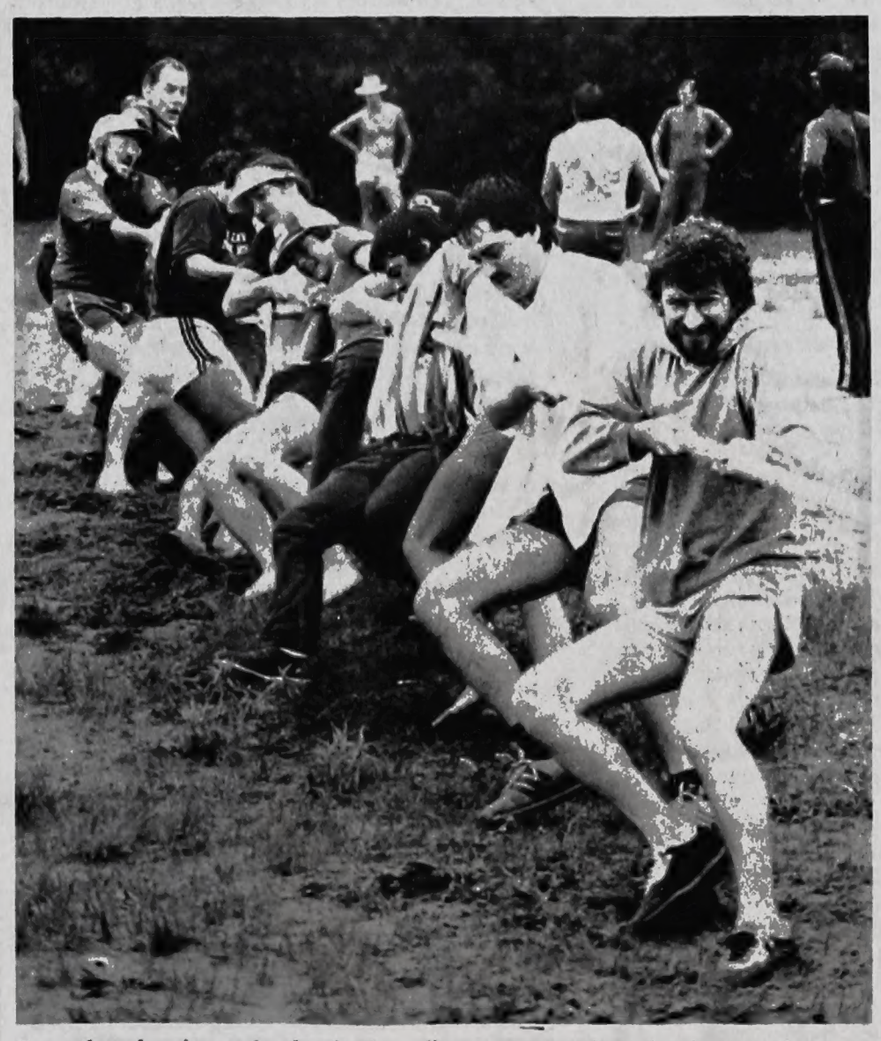
A beauty contest competitor

Dawn Ball one of the winners



Even though rain made the footing slippery, competitors in the tug-of-war at Haliburton Lake's regatta on Sunday gave it their all. The Main Lake men were the winners.

Haliburton Lake regatta:

Despite a downpour, competitors had a good day

The weather didn't cooperate with organizers of this year's Haliburton Lake regatta, but competitors and spectators who braved the grey skies and heavy rain had a good time nonetheless.

It was the 25th anniversary for the annual regatta, and a full slate of events was planned to mark the occasion.

Some 26 teams entered the horseshoe tournament, which was won by the team of Bob Kitely and Bob Lamb. Second were George Hopkins and Steve Sales.

The sailing races attracted 15 entrants in a number of classes. Best elapsed time honors went to Susan Crump at the tiller of a Laser. Crump was also first in the single sail category. In the double sail division Don Crump handled his Tasar well enough to gain first place. Among the windsurfers, Falk Fluegal was the best of the day.

The tug-of-war was a muscle straining affair that taxed the determination of local cottagers who divided up according to geographical area. In the end the South Bay men just couldn't hold on against the Main Lake men, who took the title.

A total of 25 entries were received in the ski slalom competition.

In the boys 12 and under, Kevin Astill was first, with Steven Smith second.

Among the 18 and under boys, M. Wunder was the top skier of the day, with Andy Knight second and Miles Taff third.

In the women's over 18 category, Debbie Golchuk was first, with Barb Leyner second and Kelly Casper third.

Slalom featured

The men's 18 and over competition was won by Christopher Sutton. Second was John Preston, with Frank Valle and Scott Menges tied for third.

Please turn to Page 9

It was a gray day but that didn't stop competitors from taking part in swimming and water skiing events at Haliburton Lake.

Call a halt

Anyone who has gone to community festivals in Haliburton County this summer will have noticed just how much emphasis is being placed these days on the public consumption of beer. It's become a national pastime. Cuttin' out with the boys and a case of '50' is as Canadian as black flies and government indifference. Or so the breweries would have us believe. And the message seems to have gotten across to the organizers of local events. Not much can go on unless there is a beer garden to liven things up and help people part with their cash.

So what's wrong with that you say? Well, it depends on how you look at it. There's nothing wrong with enjoying a bottle of beer on a hot day, or on a cool one for that matter. Beer has been around for thousands of years, and its brewed in just about every country. Most people like it. But like any stimulant, or in this case, depressant, it should be consumed in moderation, and with respect. The fact is, however, that at too many local events, beer is being consumed openly, in contravention of the law, by people who arrive in vehicles and will leave in them. The fact that very few charges are being laid indicates not that the police are unaware of the problem, or unconcerned about it, but that there are simply too few officers available and too much territory to cover.

The emphasis at most local events should be on fun for families, but that emphasis is being forgotten, or at least pushed aside not only by participants, but by organizers. Is a beer garden the only way that an event can generate cash? And if a beer garden must be held, should something not be done to ensure that the beer is consumed in the designated area, instead of carried into crowds watching or participating in other activities?

These are matters that deserve to be considered, because if the present trend continues, families will stay home in droves and turn community events over to the minority who can't have a good time unless they have a bottle in their hand and a case in the trunk.

Let's keep beer where it belongs - in homes, taverns and specially licensed areas. And let's not condone the 'cuttin' out' mentality, with the potential for problems it creates.

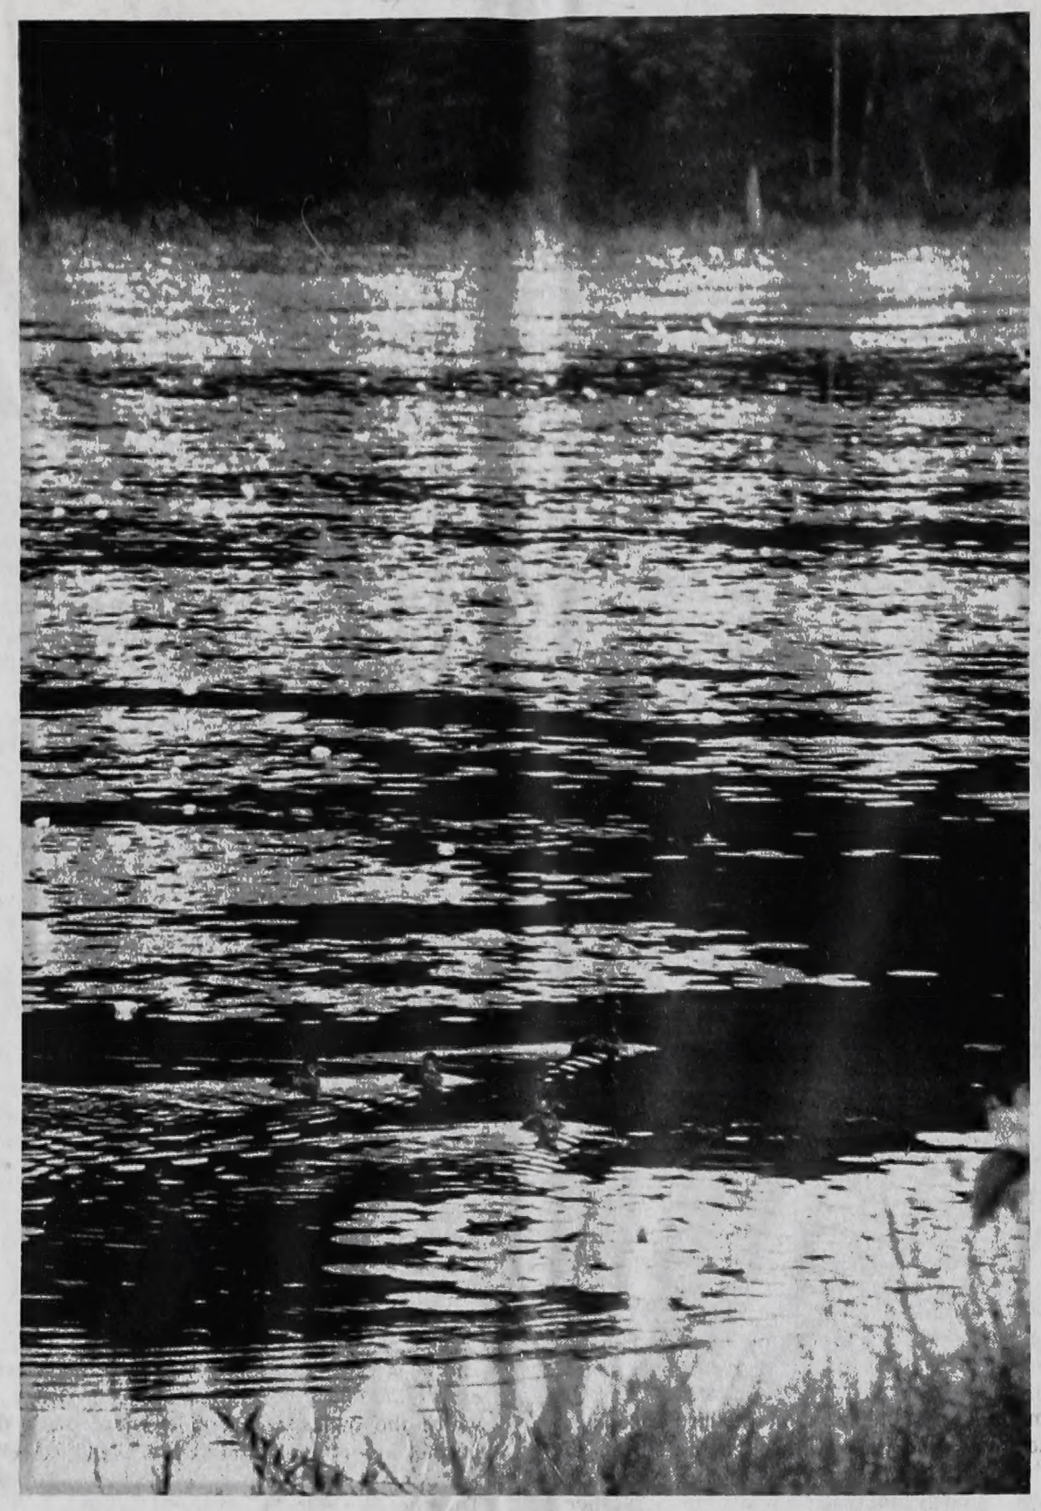
Too much

A glance at the schedule of events taking place around the county last weekend indicates that a great many people are putting in long hours to organize events that will make the county a more interesting place for visitors and residents alike. But it also shows how great the need is for some kind of coordination that will ensure a full summer of activities without too much overlapping.

This past weekend there were community festivals in Cardiff, Glamorgan and Dorset, three wheel drive vehicle races in Minden, four wheel drive races in the Wilberforce area, regattas at Haliburton Lake, Kennisis Lake and Mountain Lake, cottage association meetings, and a host of other minor activities to choose from. It's all too much, not only for the local newspapers to cover, but for people to attend.

Organizers choose the long weekend for a good reason, of course. That's when the greatest number of people are in the county to take part in whatever happens to be going on. But serious thought should be given to rescheduling at least one or two of the community festivals so that more people would have a chance to enjoy them.

At the moment it's simply impossible for organizers to generate the maximum response in return for their efforts, because there are too many events competing for people's attention.



A family affair Photo by Steve Dawson

Letters

To the Editor:

The letter in last week's paper from Mary Crombie that suggests our attitude towards Tourism is "smug, unimaginative, and short sighted" and refers to our "less complacent, tourism promoting neighbours" does not specify exactly who it is aimed at, so it must be assumed it is directed at all of us who live, work, and operate a business within the County. As the individual now responsible for the marketing programs of our County-wide Chamber of Commerce I take personal exception to her comments.

Our County council could certainly not be accused of being complacent when they voted $50,000 and $60,000 towards the Chamber's promotion of tourism in the county for each of the last two years respectively. Our members can't be called complacent when they add another $65,000 to $75,000 to that figure in addition to their own promotional budgets which often run into several thousand dollars each. Our Board of Directors who spend many hours of volunteer time developing the plans and programs can't be considered complacent.

Our "less complacent, tourism promoting neighbors" have shown a great deal of interest in our activities over the past two years. Requests come from the Highlands of Hastings, the County of Victoria, the Region of Durham, Quinte Isle, Parry Sound and district and the Muskoka Tourist Association for copies of our Marketing Plan and details of our methods of operation. The Honourable Reuben Baetz, Minister of Tourism and Recreation stated that our Chamber was the "most active Chamber of Commerce in the promotion of Tourism in this province" at our annual meeting last year. The Ontario Chamber of Commerce recognized one of our promotional programs in 1983 with the "President's Award for outstanding Achievement". We are recognized within the Central Ontario Travel area as being the strongest and most organized part of the region.

In spite of all this I am sure that Ms. Crombie can find individuals who have not yet heard of either the Haliburton Highlands or the Kanawa Museum. The important point is however, that there are far fewer now than six or eight years ago, and we continue to work towards decreasing that number. It is a huge market and it will take much more time and money to accomplish this. It is also worth noting that in the consultants recommendations on the future Kanawa Museum a budget of $32,000 is projected for advertising and promotion annually. Presently, and in the past not one cent was budgeted for that purpose by them. The Chamber did produce a modest descriptive leaflet about the museum because none was available and have promoted the facility through its own and other publications.

The Museum, or at least the nucleus of it should remain in the Highlands and some of the members of the Museum Board agree with this. The proposal prepared on behalf of Peterborough (at considerable expense to Provincial taxpayers) is simply that -- a proposal. A committee made up of County Council representatives, Chamber representatives, and the Citizens for Kanawa Committee will be presenting a proposal also. It would be very premature to assume that the Highlands have lost this valuable collection.

There is no doubt that there are some complacent, smug, unimaginative and short sighted people in our County -- as there is in every community. Fortunately, however there are a good number of the opposite and the very real danger of having such ill-informed criticisms dumped on them over and over is that they will become discouraged. If those who are working so hard now tie and drop the ball will the critics bothe to pick it up and run with it?

Sincerely,
Bob Stinson
Marketing Representative
Haliburton Highlands Chamber of Commerce

To the Editor:

The National Film Board, a federally funded organization which was established for the purpose of educating and promoting understanding among Canadians, is now in the process of producing a five-part "docu-drama" entitled Deomocracy on Trial. One part of this series deals soley with Morgentaler and "recreates his personal fight to change Canadian Abortion laws."

This deliberates use of taxpayer's money to promote one side of the controversial and moral issue of abortion is nothing less than insulting to responsible law-abiding citizens. Canadian tax payers should not be required to fund a film promoting Morgentaler, who admits illegally killing over 16,000 unborn babies for PROFIT. He is now again openly and deliberately breaking the Canadian abortion law in Winnipeg and Toronto, for which he has been charged under the Criminal Code and his trials will take place this fall. This action by the National Film Board of Canada cannot be tolerated, and must be stopped.

Do we as law-abiding citizens want to see Abortion "Clinics" appearing and flourishing along the lines of Mac's Milk outlets or Dixie Lee

There was certainly no signs of a recession in the village of Haliburton last Friday night when hundreds of people turned out to attend the third Midnight Madness Sale. When the hour of 10 p.m. arrived and the lights went on in the stores and the doors opened it was bedlam as the people on a shopping spree for bargains jammed into all of the stores. Many places of business reported record sales and in other words it was a night of nights. The evening took on the look of an old time Saturday night as everyone seemed to be out for a good time and a chance to visit some of their friends that they hadn't seen for some time. Those who weren't shopping stood on the sidewalk in front of the IGA parking lot to listen to the toe tapping music of the Porcupine Lumber Co., a local country and western band that added a lot of color to the evenings proceedings. We had the usual long line-ups of people at the Echo who were buying their subscriptions to the Echo for this evening only at half price. It was getting close to midnight when I was in conversation with a woman who had just subscribed to our paper. She pointed out to me that it was just wonderful to see everyone for one evening at least in such a great mood. She said that she had noticed it in the lineup at the Echo office and everywhere that she went in town. She went on to say that it was too bad that people couldn't be like this all of the time. I have to agree and I also noticed that everywhere you went everyone was in a really good mood.

Tonight's the night (Wednesday, August 3) for the beginning of the two day Haliburton Rotary Summer Carnival. The big event kicks off tonight with a gala parade and I would like to remind you that it's not too late to get your float into the parade. Boys and girls are also reminded that there's prizes for the best decorated bicycles in the parade. The big event continues tomorrow evening (Thursday).

Since I am the person in charge of advertising for this newspaper I would like take this bit of space to correct an error that I overlooked in an advertisement of K and S Roofing which appeared on the building specialists page in last week's Echo. It read 10 per cent off material and labour now. It should have read 10 per cent off for senior citizens.

Gerald Griffin of Haliburton was the lucky winner of a Honda Three Wheeler bike at a draw held in conjunction with Gooderham Horseshoe Days on Sunday.

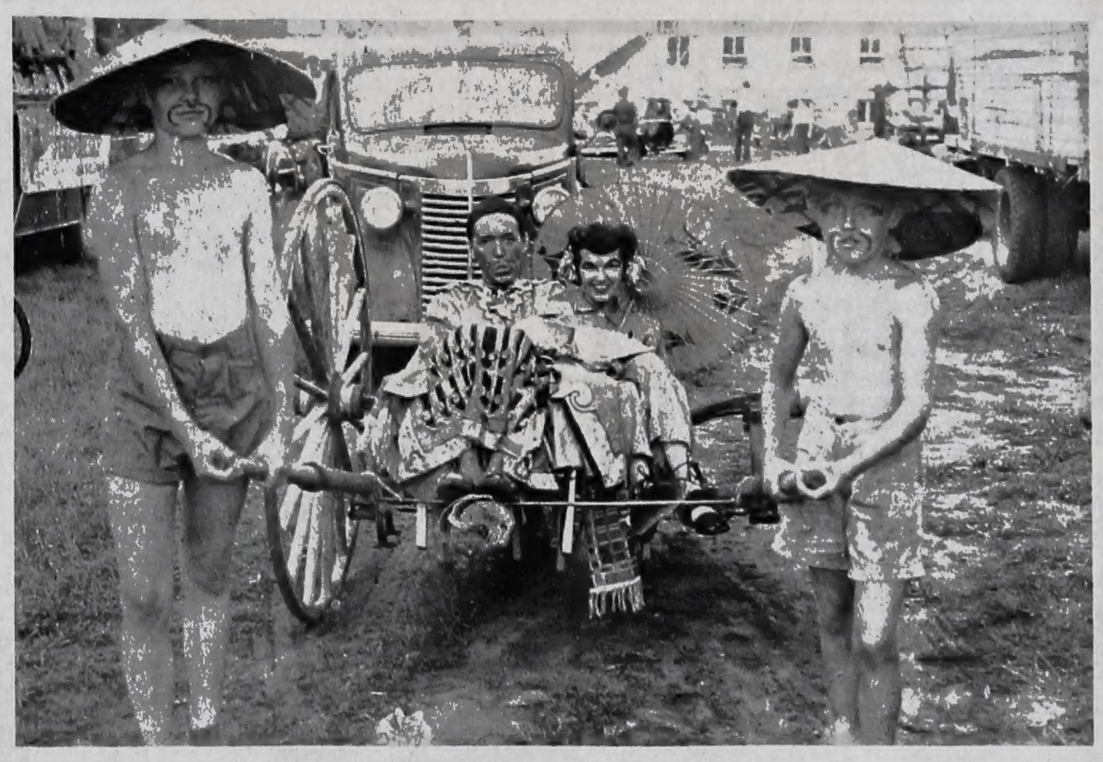
Yes your're right, that stuff that was falling on the ground on Sunday last was rain. It's something that we haven't seen here in nearly a month. It was what some people call a million dollar rain. The forests were getting tinder dry with high fire ratings, gardens were badly in need of rain and we certainly needed something to clear the air. On the subject of rain it reminds me of an article I read a few years ago in the old Toronto Telegram written by Ted Reeves in his daily sports column. At that particular time The Boston Braves of the National Baseball League were making a run at the pennant. Even though they were winning they were facing a major problem. Every team tries to have at least three good pitchers in their pitching rotation and at best maybe four, the Braves were down to two that they could count on. Many of you old ball fans may recall their names, Johnny Sain and Warren Spahn. Ted Reeves who always has a great sense of humour summed it up pretty well when he coined the phrase "Spahn and Sain and a day of rain".

On Friday afternoon my mother-in-law, Mrs. Clifford Elstone was telling me that a family of racoons came out of the woods behind her house on Mountain Street, paraded across her lawn and then they made their way down into the IGA parking lot and later on made the return trip back up crossing Mountain Street and they disappeared into the woods. It looks to me that they were either coming to town to do their shopping or they arrived early for Midnight Madness.

The Katimavik projects that were approved for Haliburton and Minden early on in May are now in full swing. The supervisor for the Haliburton area is 27 year-old Brenda Rootham, a graduate of the University of Waterloo's recreation program. Last Thursday evening she addressed the weekly meeting of the Rotary Club of Haliburton. She explained that the program is being funded by the federal government and that the main selling point of the Katimavik program is that it will be providing both the Minden and Haliburton areas with free labour over 30 weeks. At the present time they are cleaning all of the debris out of the Drag River in Haliburton. The next time you're down that way take a look at how clean the river is at the present time. Hats off to this group who are doing a great job.

This week two of my old friends that I hadn't seen for a long time were in town. One was Ray Logan from Welland and I'm sorry that I wasn't around when he called to see me. The other one was an old school buddy, Max Fetterly, who now lives in Florida. Max was telling me that he lives very close to another former Haliburton resident, Bill Niemi, who is coming here to Haliburton soon to visit with friends and relatives.

Viewpoint



Pic of the Past

Everyone loves a parade and local citizens as well as visitors are anxiously awaiting the Annual Haliburton Rotary Club parade which will be held tonight (Wednesday, August 3) with the theme "Haliburton - A Four Seasons Playground". The parade will kick off this year's two day carnival. Our Pic of the Past Photo this week which was given to us by Mrs. Maxine Curry of Haliburton takes us back to the year 1946 when the third Rotary Club Parade was organized. The location is the Haliburton Fairgrounds and the parade is starting to line up. In the photo two boys are pulling a hand made rickshaw. Shown from the left, Curry Bishop, Viola Bishop, Maxine Curry and Stuart Baker.

Report from Parliament

Bill Scott, M.P.

The Federal Cabinet held several meetings in July of this year supposedly laying the plan for a throne speech to be presented in the fall.

Apparently, one aspect of the last session they feel has been most successful is the six and five program. All reports indicate they are investigating new ways of applying restraints possibly even more strict than six and five. That program has been accompanied by promises of spending restraints. The first application of six and five was to Old Age Security payments, Family Allowances and health and education transfers to the provinces. No dramatic decrease in government spending accompanied this to act as an example. Based on the Statement of Financial Operation for March 1983, federal spending rose from $64.7 billion in 1981-82 to $75 billion in 1982-83, an increase of 15.8 per cent in federal spending in the year in which the last three quarters were under six and five.

The Government claims that spending increased unavoidably because of transfers to individuals and provinces, unemployment insurance benefits, and because of such "uncontrollable" cost items as public debt charges and petroleum compensation payments. Excluding these items, the increase in government spending between 1981-82 and 1982-83 is 19.7 per cent. While this government has asked us all to accept restraints of six and five it has done very little to retrain its own non-statutory spending.

In the past three years, since returning to office, the Government has repeatedly promised to curb its spending. In that period, government spending as a percentage of GNP has risen from 20.8 per cent to 26.1 per cent. Let us hope that foremost in the thoughts of Cabinet is the old fashioned idea of setting an example of restraint worthy of being followed.

From the Chamber

Some things are free

Everyday all around us we see the signs of inflation. That loaf of bread that cost a nickel when we were a child now costs a dollar. Movie admission has gone from a quarter to five dollars. Everything in the world seems to be getting more and more expensive all the time. One thing that hasn't got any more expensive is free advertising.

Free advertising you say? Yes, I said free advertising! How many parades does your business participate in every year? My guess is one or two at the most but most likely none. This point was driven home to me last week when I was watching the Minden Rotary Carnival parade. There was only about a dozen and a half units representing local businesses. Some of the local businesses that did sponsor floats, didn't even have eligible signs to indicate their sponsorship.

Ahha! Parade sponsorship isn't free! It costs money for gas to get to the parade and drive in the parade and get your float ready. You're right. But, most businesses own a vehicle already that has their name on the side. It doesn't take much effort to fill it up with a tank of gas, get a couple of staff members or members of your family to dress up and enter the parade. Most parades do not charge entry fees as they are so happy to have you participating in their parade. So it might take a gallon or two of gas to get to the parade and back and participate in the parade that would be your only real cost. Thus you can advertise for free.

At a minimum you will foster better community and public relation, and at best you will increase your business. All at almost no cost whatsoever. Think about that, free advertising. One of the few inexpensive things left in this world. It certainly can't do your business any harm.

What's happening

The Rails' End Gallery in Haliburton is very pleased to present their new show "Robert Bateman - a retrospective". The opening of the show will be on August 3 at 8 p.m. at the Haliburton Highschool. A public viewing of his works will follow at 9:30 p.m. in the gallery and continue through to the close of the show on September 5. The gallery is open from 11 to 5 Tuesday to Saturday and 1 to 4 on Sundays. Mr. Bateman's works are world renowned, especially since one of his paintings was given to the Prince and Princess of Wales as a wedding present. His show consists of several current originals as well as works of his early days in painting.

August 3 and 4 see the return of the Haliburton Rotary Carnival. This annual event will begin Wednesday with the Rotary Fun and Fitness 10 kilometer run. At 6:45 p.m. on the third a monster parade will wind its way through the streets of Haliburton. Other events include a beef barbeque, dancing, bingos, arm wrestling, horseshoe tournament, water ski show, and a draw for a 1983 Chevrolet Camaro.

Art Mart 83 is underway at the Agnes Jamieson Gallery in Minden. This show and sale features many works by local artists all for sale at quite reasonable prices.

The Minden Library will be showing a children's movie on August 5 at 7:45 p.m., admission is free.

That showcase of Canadian Rockhounding the Wilberforce Rockhound Fair 83 will take place from August 5 to the 7. There will be many gem and mineral dealers present who will be displaying their wares as well as opportunities for the public to pan gold, go on field trips, participate in rock swaps, and ask questions at the mineral identification booth. There will be demonstrations of lapidary carving and silver smithing. There will be dancing on Friday and Saturday night in the Lloyd Watson Centre. Admission to the Monmouth Township new arena Lloyd Watson Memorial Centre where all of this takes place is only $1 for adults and 50 cents for children.

The Women's Institute will be holding their bake and craft sale on August 5 at 10 p.m. on the Canadian Imperial Bank of Commerce lawn in Minden.

Dorset Pioneer Week, July 30 to August 6, promises fun for every member of the family. There will be flea markets, bake sales, displays, pancake breakfast, a baseball tournament, parade, barbeque, dancing, log rolling and much, much more. All proceeds from this week go to the Dorset Community Centre Building Fund.

Federation of Ontario Naturalists

by ARLIN HACKMAN
Federation of Ontario Naturalists

We've all heard about swallows returning to Capistrano. Well it so happens they are also partial to Pembroke, although no one has written a song yet.

Unknown to all but a few individuals, for at least twenty years swallows have come to spend the summer nights in greater and greater numbers at an undistinguished site on the Ottawa River shore within Pembroke city limits. But their currently spectacular numbers, estimated to range as high as 50-75,000, could disperse overnight if plans afoot to redevelop Pembroke's waterfront fail to maintain this haven.

Six species of swallows are native to Ontario and, on the whole, display a remarkable tolerance for human activities. The most common clan representatives, Barn Swallows, are almost an inevitable feature of our rural environment, building their mud pellet nests with perfect confidence among the joists and beams of stables and sheds. Here they raise two or more broods each year. Purple Martins, the largest species, of which the males are actually more black than purple, are often landmarks as well, especially when they inhabit large man-made colony houses. Together with their relatives the Bank, Tree, Cliff, and Rough-winged Swallows, these insect-eating birds journey to Ontario each spring from South America and Mexico.

Prior to departing again in late summer or early fall, swallows commonly congregate in family groups. But according to officials with the Canadian Wildlife Service, the vast flock of at least four species, which annually invades the two or three acre willow and alder stand at the mouth of the Muskrat River, is quite likely unique in Canada.

It's also quite a spectacle. Just before dusk on a midsummer night the first waves descend, swirling and swooping by the thousands, displaying that grace and beauty in flight which has earned swallows a prominent place in art and literature. As darkness sets in, the fun and games taper off as the arrival rate shoots up to 1,000 per minute and every available perch is quickly taken.

Federal scientists still don't know the whole story. But their initial comments clearly support efforts by local naturalists such as Will Clark to seek protection for the site. In fact, with careful management to maintain the habitat and orient visitors, this annual performance should continue indefinitely and provide a rare tourism opportunity as well.

Mr. Clark intends to present this proposal to the Pembroke economic development committee which is currently reviewing proposals for housing and recreational development along the Ottawa River, including the swallow staging point. It is a proposal which deserves serious study and a positive response.

Letters

from page 4

franchises? We must, I repeat must, let our elected officials know that we in Ontario are absolutely opposed to the opening of abortion "clinics", by writing and supporting our leadership in their fight. Our elected officials sensitive to public opinion will act if they receive an overwhelming voice expressing our utter abhorrence of such establishments.

Interestingly enough, the minister responsible for the National Film Board is Francis Fox, who only a few years ago left the Liberal Cabinet because he had deceitfully signed a consent to abortion for a woman other than his wife, at an Ottawa hospital. He was reinstated in the Cabinet, but appears to have learned nothing from his experience. Now that he has such a versatile 'tool' as the NFB at his disposal, he obviously intends to use it for promoting abortion "clinics"!

Note: Although we do not approve of abortion "clinics", we do not condone the recent fire-setting episode in Toronto. We must all use legal means to stop these "clinics".

Yours sincerely,
Don Waterhouse

To the Editor:

I have noticed that in both the advertising and the reporting of the Stanhope Fun Day, that practically nothing has been mentioned of our Art Show. This has been a regular feature of the day for a number of years.

There has been a dedicated effort on the part of a group, mostly the Stanhope Library Committee, with the help of several others to make this a worthwhile display in the library. The art is very good and draws favorable comments from our visitors. The artists are mostly local people, both permanent and cottage residents. This year there were 118 pieces of art, by 20 artists.

This is certainly one of the attractions of the day which is appreciated.

Sincerely,
Norm Wallace

Heineken Yard road race fastest ever

Some 330 runners left Camp Onandaga at 4:30 p.m. Friday to compete in the 4.5 mile Heineken yard road race. It was the larges sand fastest field in the event's history.

Runners set records despite heat

Despite heat and high humidity that left competitors drenched in sweat, the 1983 Heineken Yard road race produced record breaking times and a record number of entrants.

Close to 330 runners left Camp Onondaga in a mass start to the 4.5 mile race, which followed a rolling route into Minden with the finish near the Rockcliffe Hotel.

The first three finishers in the open men's division set a record pace. Overall winner Greg Lockhart covered the distance in 21:58, almost a full minute faster than the previous record of 22:56 set by Trevor Shand in 1981.

Roger Caulkwell was second in the open men's, with a 22:23 finish. Third place went to Thomas Drysdale, who also finished under the previous record, at 22:49.

Women's record smashed

Top women was Sue French, who crossed the line 25 minutes and 23 seconds after the starting gun, slashing Janet D'Aray's 1981 record of 28:17 by almost three minutes. Second was Tracey Robinson in 26:22, while third place in the open women's division went to Susan Stone in a time of 27:15, well under the former record.

Times were extremely quick in the master men's division as well this year, reflecting the fact that the race is attracting an increasing number of top calibre competitors.

Robert Moore won the master men's title in 23:13, well ahead of his nearest rival, Vic Matthews, who finished in 25:00, and only 23 seconds behind the third place finisher in the open men's division.

Third place honors in the master men's division went to Peter Carr-Locke in a time of 25:43.

Helen Malmberg was the fastest master woman, finishing in 31:29. She too was well ahead of her nearest rival in the division, Monika Lobdell, who had a time of 34:44.

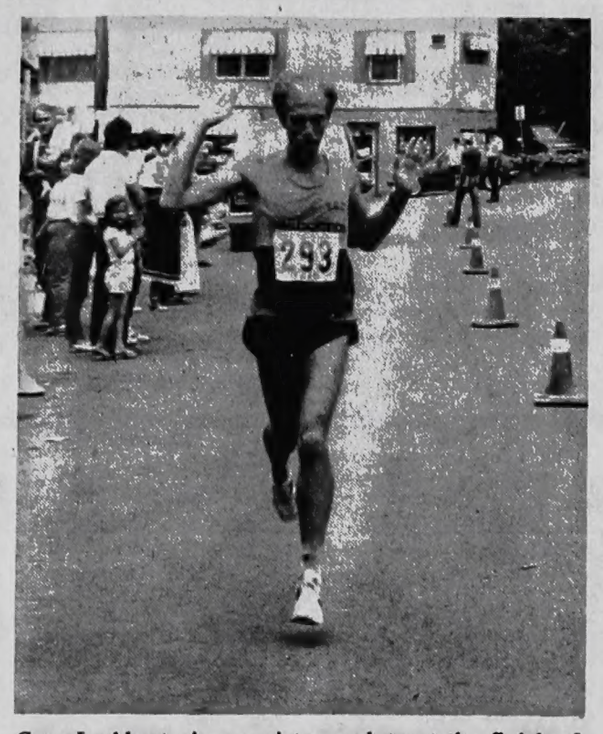
Ann Ellis was third in 35:07.

Winning the Junior men's division was John Fleming in 24:26, with Marc Tadif second in 25:57 and Graham Ingham third in 26:23.

Fastest among the Junior women was Mary MacDonald, who finished in 31:43. Second was Kathryn Ireson in 35:03, with Dianne Wiseman third in 35:38.

In order of finish, the quickest competitors were Lockwell, Cauckwell, Drysdale, and Moore, followed by Harold Hoefle, 23:22; Richard Lee, 23:28; Bill McGill, 23:38; Craig Stevenson, 23:40; Mark Davis, 23:52, and Bruce Trigg, 23:54.

Proceeds from the race went to the Canadian Bobsled team, who were on hand to push their 600 pound sled the last mile of the race.



Greg Lockhart gives a victory salute at the finish of the Heineken Yard Friday. He finished 21:58, a course record.

Beachli Const. in first place

Haliburton Lumber team remains in hot pursuit

Beachli Construction and Haliburton Lumber squared off for the late season lead last Tuesday night, and when the last out was called, the builders had hammered out a victory to move into first place.

The win gave the Beachli builders an 11-3 record, while the Lumbermen slipped a game behind with a 10-3 tally.

Thursday night's action didn't change the standings, as both teams notched wins, setting the stage for one of the closest finishes in the history of the Haliburton Mens Fastball League.

Beachli Construction 7
Haliburton Lumber 3

Tuesday night's opener was a clash of the Titans, local style, as the two strongest teams in the five team league squared off with first place at stake.

The Lumbermen led off but could manage only a double from Bernie Nicholls before the third out was called.

In the bottom of the inning, Dave Nicholls opened with a single for the builders, and then Bob Nichol was awarded a base on balls.

Mark Schell doubled to advance the runners, John Wilson flied to right, Jeff Carpenter singled and Kevin Sisson walked before the Lumbermen retired the side, trailing by two runs.

The top of the second produced nothing for the Lumbermen, while in the bottom half, Beachli Construction added two more, as Mike Carpenter and Duff Mitchell each singled, then completed the circuit on errors at first and second and a walk to Mark Schell.

The Lumbermen got rolling in the top of the third, as Jim Winn was hit by a pitch and got a free trip to first, then Bob Johnston connected for a triple to bring Winn across.

A walk put Leigh Bull on, then Earl Bull hit into a fielder's choice to bring Johnston home and close the gap to 4-2.

In the bottom of the third the builders stretched their lead once again as Kevin Sisson connected for a solo home run.

The Lumbermen were blanked in the top of the fourth, while in the bottom half, John Wilson and Jeff Carpenter each made it safely on, then rounded the bases for two more runs.

That made the score 7-2 for Beachli Construction, and that's the way it stayed until the top of the sixth, when Earl Bull doubled, then made it home for the Lumbermen's third run.

Beachli Construction shut the door at that point, coasting to a comfortable 7-3 win that gave them possession of first place.

Haliburton Kinsmen 7
Legion 6

Tuesday night's second game went right to the wire with the Kinsmen just managing to hang on despite a seventh inning charge by the Legion.

The inning opened for the Legion with Ron Perrin getting to first after being hit by a pitch. Tony Salvatori's RBI single brought Perrin across to make it 1-0.

In the bottom half, Ron Linklater doubled, Dwight Sisson was safe on an error and Brian Mulholland notched an RBI double to put the Kinsmen in front 2-1.

Both sides were blanked in the second frame, and the Legion were held off in the top of the third. In the bottom of the third the Kinsmen exploded for three runs as Linklater and Bill Mulholland singled, then Dwight Sisson blasted a homer that added three to give his team a 4-1 advantage.

Gene Newell led off with a single in the Legion fourth, Lyle Sawyer doubled to bring Newell across, but was left on base as the next three batters went down.

The Kinsmen added another in the bottom half, as Vince Duchene connected for a single, stole second, then came across on a ground rule double by Ron Linklater.

The top of the fifth was productive for the Legion. Wells Robertson opened with a single, then Tony Salvatori slammed a triple that scored Robertson. George Nicholls' sacrifice fly to right field let Salvatori cross the plate and left the Legion trailing by two.

In the bottom half, Jerry Walker hit a double, then made it home with the help of succeeding batters to give the Kinsmen a 7-4 advantage.

Neither team scored in the sixth, bringing the Legion to the plate in the top of the

Please turn to Page 7

Barry Shaw leads batting statistics

Barry Shaw has solid lead in the race for the Haliburton Men's Recreational Fastball batting title. The Curry Motors slugger has an impressive .531 average with just two weeks left in the regular season.

At least five other hitters have an outside chance of catching Shaw if he slips into a slump and their own bats heat up. But the odds are getting longer with only a few games left to go.

Kevin Sisson of Beachli Construction is a definite contender, with an average of .479, while Mark Schell is only a few percentage points behind with a .472 average.

In fourth spot is Darryl Stamp of Curry Motors with .448 for the season.

Bernie Nicholls of Haliburton Lumber is also solidly over the 400 mark with a .438 average, and so is the Legion's Tony Salvatori with .425.

Other top hitters in the league are Bob Johnston of Haliburton Lumber, .396; David Nicholls, Beachli Construction, .389; Jim Winn, Haliburton Lumber, .375; Art Dawson, Haliburton Lumber, .357; Bob Nichol, Beachli Construction, .333; Earl Bull, Haliburton Lumber, .324; Dwight Sisson, Haliburton Kinsmen, .313; Barry Boice, Curry Motors, .297.

Mention must also be made of two players who started in mid season and have been hitting extremely well, but who will not be in contention for the overall title because of their late start. Ron Linklater of the Haliburton Kinsmen has racked up a .522 average, while Vince Duchene, also of the Kinsmen, is very close behind with a .500 average.

Minden Dixie Lee, Haliburton Jrs. on top as teams head for playoffs

by LORI DEAN

The Haliburton County Ladies Softball teams ended their regular season schedule last week with a total of seven games being played.

The Haliburton Srs. took a thumping from West Guilford to start the week off. Score was 22-8 for Guilford.

Gail Teasdale and Shirley Letourneau played well for Guilford while Wendy Roberts with two homers was the star for Haliburton.

Later in the week the Haliburton Srs. enjoyed trouncing the Haliburton Jrs. to the tune of 36-18. The Srs. jumped into the lead in the first two innings scoring 19 runs to the Jrs.' 4. The Jrs. tried to come back in the third and fourth but to no avail.

The Sr. team all played well with Wendy Roberts again hitting a home run in the third inning. Several good defensive plays were made with Wanda Scott and Brenda Fearrey shining in that department. Home runs seemed to be the order of the night as Marla MacNaull collected two, Miriam Smith with one and Pam Iles one for the Jrs.

A four point squeaker was played in Minden Monday night as the Minden Jrs. defeated the Haliburton Jrs. 15-14. Terri Dillon hit well for Minden. Tracy Harrison and Pam Iles were the big bats for Haliburton.

Minden Jrs. took advantage of another four pointer Tuesday night as they again came up winners in Carnarvon by a score of 18-14. Both teams played well in this one with the help of Wendy Ballantyne for Minden and Cathy Darby for Carnarvon.

The Minden Dixie Lee took on Wilberforce in Minden last Monday night and walked off winners by a 13-9 score. Wilberforce came on strongly in the first inning, scoring three runs but couldn't hang on as Minden collected six runs in the third and fourth and went on to win. Cindy Ablet went four for five at the plate for Wilberforce and Trish Slavik was three for four for Minden.

The best played game of the week was a contest between Minden Dixie Lee and West Guilford. Minden won the game 7-5. The first inning produced all the runs for Minden but they held on for the win as Guilford kept threatening to take the lead. Sue Pye played a good game for Minden and Michelle Rosenburg went four for four for Guilford. Ann Hewson went all the way on the mound for Dixie Lee. Joan McKay was the loser.

Play offs start this week so get out and support your favorite team and see some good ball games.

Final standings for the season in "A" division were: Minden Dixie Lee, West Guilford, Wilberforce, Haliburton Srs.; "B" Division: Haliburton Jrs., Minden Jrs., Carnarvon.

Soccer carries on in the rain

Sodden field a tough test for local strikers Sunday

by JIM MILNE

The Dixie Lee soccer team played a friendly game against the Peterborough Marauders last Sunday in Haliburton. Peterborough defeated the local team 4-1 but the score was incidental to the experience of playing in a driving rain on a water laden field.

Soccer is traditionally played under almost any conditions. Indeed a little rain is refreshing for the players. Even the deluge of Sunday afternoon was a welcome change from the hot dry weather of previous weeks, although any league game would probably have been stopped under those conditions. The ground was so hard and dry little water could penetrate it. No mud was formed but instead there were large deep puddles. The ball will not bounce or skip in them. It stops dead. At one point six players tried to win control of the ball in one of these puddles. Water flew everywhere but the ball refused to move. Finally the referee stopped the play and restarted it with a dropped ball on higher ground.

The team will practice on Thursday at 7 p.m. in Haliburton and travel to Huntsville for a league game on Sunday. The playoff format has been settled and games will be played in September. Further exhibition games might be organized in September if enough players are available. Some consideration is being given to playing soccer indoors in the winter and also to the issue of forming one or two teams for next year.

There are four games left in the regular schedule which concludes August 28 with a home game against the current second place team, Muskoka Sun.

Mud flies at Wilberforce races

For wheel drive enthusiasts from across Ontario converged on the Wilberforce area over the weekend for the first Ontario Four Wheel Drive Association sanctioned event to be held in Haliburton County.

More than 60 vehicles and drivers were on hand for two days of racing on a recently prepared course at Bill's Hills about five kilometres west of the hamlet.

The event was organized by Glen Storey and Don Bamford on behalf of the recently formed Wilberforce Mud and Run 4x4 club with only a few weeks notice. As a result, spectator interest was less than it might have been, but those people who did turn up were treated to some exciting racing.

The focus Saturday was on drag racing, using a sand course. Some 64 entries were received in 10 classes for men, and nine classes for women.

On Sunday the emphasis was on obstacle course racing. In this event, drivers tested their skills on a dirt course that featured sharp turns, dips and jumps. The aim was to get around the course in the fastest time, and with the pressure on, mud flew and vehicles got airborne. Relatively low speeds, roll bars and seatblets made the event safe, but didn't diminish the excitement. Five classes for women were contested in the obstacle races, while the men vied for honors in seven classes.

Highlight of the weekend was wheel to wheel racing, in which up to 15 vehicles took to the obstacle course to race against each other. The event had some similarities to stock car racing, but the dirt and mud added a different dimension for spectators and competitors.

Sunday's steady downpour kept spectators away and turned the obstacle course into a quagmire, but drivers appeared to enjoy themselves and those spectators who did brave the rain, huddled under umbrellas and plastic tarps, were in a festive mood.

The Wilberforce event was one of six sanctioned races in Ontario this year leading to a provincial championship based on points for the season.

Overall prize money is small, but that doesn't mean the drivers spare any expense to get their vehicles ready. Some extremely exotic and expensive vehicles made the trip to Wilberforce over the weekend, and for many of the spectators, just looking over the equipment was a big part of the fun.

The success of the races means they may be repeated next year, with provincial sanctioning assured.

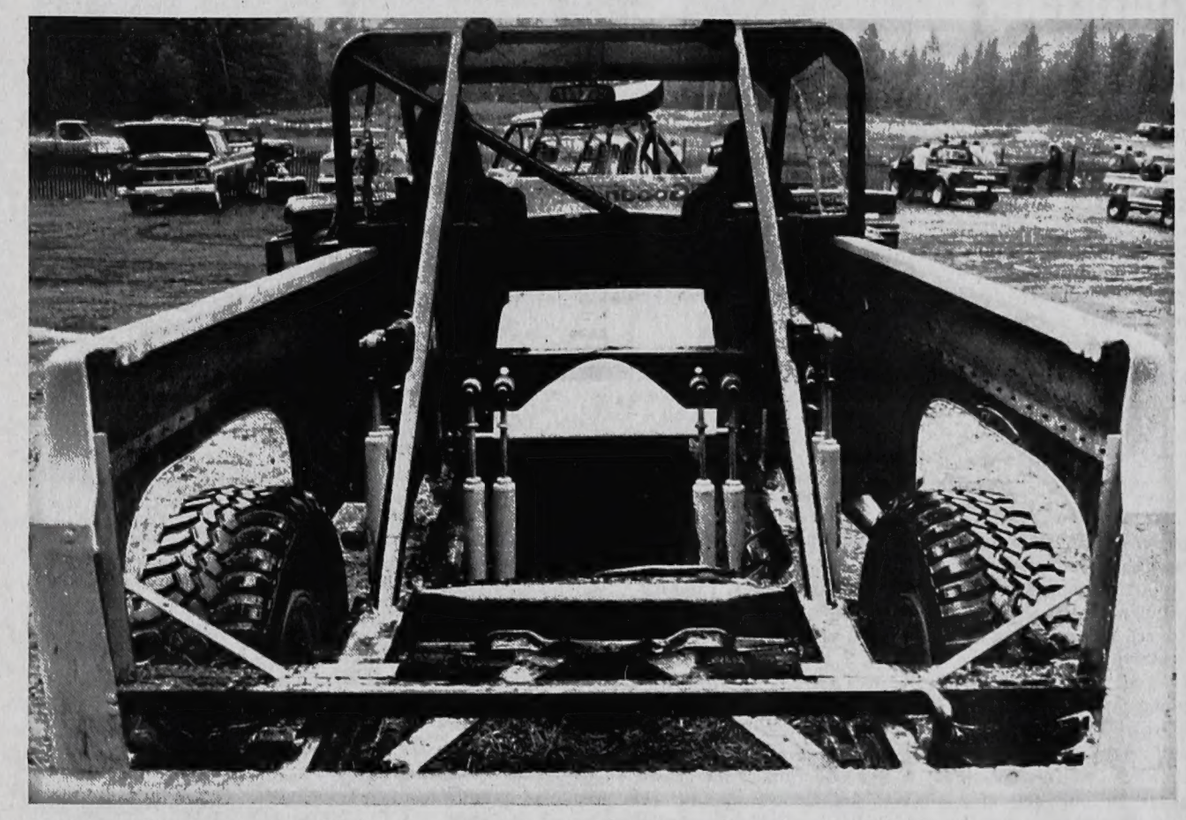
Glen Storey says the club hopes to hold the event on a different weekend next year, one less packed with activities, in hopes of attracting more spectators.

There were no local racers, but that could also change by next year.

Storey said he was pleased and grateful to all the people who volunteered to help the club organize the event and operate it successfully.

"I can't say enough about the people who helped me out" Storey said.

Staying dry?



Exotic machinery

Wheel to wheel racing was a highlight of first ever provincially sanctioned event in County

The way Detroit has never built them

Lumbermen fall a game behind

from page 6

sixth needing three runs to stay alive.

With one man out, Salvatori doubled, advanced on a centre field fly by Nicholls, then scored as Bob Penfold drove out a single. Penfold then stole a base, and when Newell connected for a single, Penfold scored to narrow the gap to a single run. But the third out came quickly, ending the Legion's hopes and giving the Kinsmen a hard-fought 7-6 win.

Haliburton Lumber 14
Legion 0

If the Legion squad was disappointed at dropping a squeaker, they had even less to be happy about in Thursday night's opener, as Haliburton Lumber put on a devastating display of hitting power to chalk up 14 runs.

In the top of the first, Bernie Nicholls, Bob Johnston, Leigh Bull and Earl Bull completed the circuit for the Lumbermen.

The second inning was unproductive for both sides, but in the top of the third, Haliburton Lumber added four more, as Kevin Newell, Art Dawson, Kelly Mitchell and Bernie Nicholls each scored.

Earl Bull added another in the top of the fourth for the Lumbermen.

Three more runs came across in the top of the fifth, as Nicholls, Johnston and Winn each made it home.

The Lumbermen pushed their advantage to 14 runs with two more in the sixth, as Nicholls and Johnston came in before the side was retired and the Legion's hopes ended.

Beachli Construction 13
Kinsmen 4

In the second game of the night, Beachli construction showed their league leading form by out-hitting the Kinsmen all the way.

The Kinsmen got on the board in the top of the first as strong hitter Ron Linklater tallied a single, Bill Mulholland singled and Dwight Sisson hit a sacrifice drive that scored Linklater.

The builders began their drive to victory in the bottom of the first, as Dave Nicholls doubled, Mark Schell doubled to score Nicholls, John Wilson tripled to score Schell, Jeff Carpenter hit a ground rule double to score Wilson, Kevin Sisson walked, John Robinson singled to score Carpenter, and Duff Mitchell singled to score Sisson.

The Kinsmen were blanked in the second, while Beachli added two from Bob Nichol and Mark Schell, aided by Wilson and Carpenter.

Neither side tallied in the third.

In the bottom of the fourth the builders got two more as Schell and Mike Carpenter each rounded the diamond with help from Jeff Carpenter and Sisson.

The Kinsmen scored one in the top of the fifth as Sisson made it home with help from Jerry Walker.

The bottom of the sixth was productive for the Beachli squad, as Sisson hit a homer, Wayne Speicher, Duff Mitchell and Dave Nicholls each hit safely on and then came home for four runs to give the builders 13 runs.

In the top of the seventh the Kinsmen managed two more from Scott Cook and Linklater before the door closed on the builders 13-4 victory.

A hole-in-one

Tom Culbert of Aurora may never win the Canadian Open, but he has done what few golfers can manage in a lifetime of play.

In a round at the PineStone Inn course last Friday, Culbert scored a hole-in-one. The ace came on the 171 yard par three seventh hole, one of five new holes opened July 16.

Culbert used a four iron off the tee.

Trent Severn News

Cloudy conditions with scattered showers, humidity, and haze predicted for the civic holiday weekend may reduce the evaporative losses from the lakes. A few days of rain would reduce the need for reservoir water in the Kawarthas and hence reduce the rate of decline of the Haliburton Lakes.

This past week saw a loss of more than six per cent, bringing these lakes down to 73.2 per cent by July 25. Of course this put them below the 10-year average level by some 4.5 per cent for that date. Last year at this time the lakes were at 83.6 per cent, more than 10 per cent higher.

The decline of the Kawartha Lakes has been arrested with reservoir water and though a small decline is occurring on Rice Lake the Trent River lock stations do not seem to have severe operational problems due to lack of flow, yet. This indicates that the minimum

SNOW REMOVAL TENDERS ARE INVITED FOR ONTARIO HYDRO (MINDEN) SERVICE CENTRE 83/84 SEASON

Tenders will be received for the removal and disposal of snow from the service yard and parking lots on an as-required basis at Ontario Hydro's Minden Area Service Centre located on Hwy. 35, Minden and Minden T.S. on Hwy. #121 at Allsaw.
The contractor is to supply the necessary rubber-tired equipment with operators (hourly rated).
Roads and parking areas are to be cleared by 7 A.M. of accumulations of three (3) inches or more of snow or slush.
Tenders are to be submitted by 4:00 P.M. on September 6, 1983., on company letterhead.
For further information and site inspection, contact:

It was nice to have back for the service Sunday night, the Rev. Burgess John, I hope he didn't think we couldn't carry on. We have a fine couple who came each Sunday to conduct the service while the Burgess' were away. Then last Sunday night, who should come along, well I won't keep you guessing, Morley Johnson, to dismiss us with his blessing.

Joan Kernohan has a helper and her name is Glenda Newell. She says she likes her work and also likes her boss. What worries her in this large place, she's afraid she might get lost.

Monday night is movie night here at Hyland Crest. Our girls take much trouble, to try and get the best. Then Linda stays to show them too. Those who come to see them are very few.

Tuesday morning Pastor Wood from Allsaw Pentecostal church, along with his wife Joyce conducted the service in the chapel for the first time here. Mrs. Wood sang for us with a voice so sweet and clear. Pastor Wood brought us a most interesting message this July day, and faithful Agnes Taylor came again to play. Tuesday noon Doris said if in the bus we would embark she would take us for a drive to Haliburton's Skyline Park shore, then to Eagle Lake and down Pine Lake shore. The girls said that if we behaved ourselves we would go some more. We just got back from our bus trip, thinking we would have a rest when we had call on us, some very special guests. Alan Doyle from Orillia who we met many years ago, was really lucky and won a lot of dough. He brought his nieces over from the land across the sea and brought them and my sister Pearl to visit my wife and me. We had a barbeque this noon outside our backdoor, hamburgers, hot dogs and ice cream galore and the waiters came along to ask if we would like some more. Then we watched a ball game, the home team verses the home team won, it sure was quite a game a lot of fun.

Angus Coulter has sold his house to a man named Snell and he didn't try to talk him down so the deal went through quite well. Angus is having a furniture sale this Saturday, then he is coming back to Hyland Crest, and here he is going to stay. The Ralph Coopers from Brantford and Mrs. Muriel Brown came to call on us today. We're always glad to see them when they are up this way.

Wednesday night Doris took us in the bus to the Rotary Parade. The girls had an entry on our Hyland float, they thought they had it made; then Thursday morning the phone rang, this message it did bring: "the entry you had in last night didn't win a thing". I know just what we will do if we should be so bold, we'll put an entry in next year that will knock the judges cold.

Thursday afternoon the members of the Kennisis Lake cottage owners association came down to Hyland Crest with lovely sandwiches and cakes and all the very best for a birthday for those who had birthdays in July. Jim Wilkinson helped the ladies serve; he sure is quite a guy. Phyllis Simpson played lovely piano music while lunch was going on. Millie Wood sits in an easy chair where she can see all about. She can tell who comes in each day and who is going out. Helen Brown is in hospital the last day of two, and Edith Welch is far from well, we think it's stomach flu.

We had no music for sing song on Friday but our faithful Grace Coburn came anyway. She led us in some good old hymns, and read some humorous rhymnes. We always look forward to this social time. To all our readers we would like to say, "Happy Holiday".

Graduation

Dr. David Wm. Fiddler

Dennis and Ruth Fiddler of Wilberforce are proud to announce the graduation of their son, David, from Chicago Ostropathic Medical School. David received the award for the top student. He has been accepted as a resident at Cliveland Clinic, specializing in Internal Medicine.

Local teacher attends Connecticut conference

Educating gifted and talented children is the focus of an international conference now underway at The University of Connecticut at Storrs and being attended by Sharon Chatfield, a teacher for the Haliburton County Board of Education.

Called "Confratute," the conference/institute, now in its sixth year, is sponsored jointly by The University of Connecticut and the Connecticut State Department of Education. Under the direction of Dr. Joseph S. Renzulli, Confratute brings together some of the world's most prominent leaders in gifted education for small, intensive workshop sessions and major presentations made to the collective body of participants -- a total this

Shoppers had plenty of fun and found a great many bargains at Haliburton's Midnight Madness Sale Friday night. Here customers at Stedmans await their turn at the cash register.

Rails End News

by MARNNIE BLAIR

Throughout July the Guild enjoyed several successful events: the Art Auction, the Summer Exhibition and the Faculty Show. The first Annual Art Auction, which featured works by outstanding Canadian artists, proved fruitful and plans are already in the making for next year's auction. The Guild Summer Exhibition and Sale continued in its tradition of offering fine art and crafts. The mainstay of any art Guild, the volunteers, made the Summer Sale possible. Those who donated their time, whether it was to staff the Exhibition, to run the Children Creative Art Centre, to demonstrate their craft, or to share their musical talent, deserve many thanks.

August promises to be an exciting month at Rails' End. "Robert Bateman - A Retrospective Exhibition" opens on August 3 at 8 p.m. The opening will begin with a lecture by Robert Bateman at the Haliburton High School. Following the lecture, the Gallery will be open for a public viewing. Admission for the opening will be $4.

Thursday, August 4 offers the last chance to see The Muskoka Touring Group, "The Fantasticks". The "Fantasticks", which "Trivial Pursuit" enthusiasts will know is the longest running musical on Broadway, is playing at the Haliburton Legion, 8 p.m. on August 4. Tickets are $5 and are available at Rails End Gallery or, at the door the evening of the performance.

In recognition of the growing artistic community in Haliburton Highlands, Rails End Gallery proposes to assemble a collection of artist portfolios throughout August. We believe that the portfolio will be beneficial to many people: art galleries, visitors to Rails End and, ultimately, to the artist. Rails End or other interested galleries or craft shops will be able to use the portfolio as a source for locating potential exhibitors. Visitors to the Gallery often inquire about the county's artistic community. They may be in search of pottery, weaving, knitting (the list goes on and on) or, they may like the work of a particular crafts person and want to know where the craft can be found. Thus with the portfolio available to galleries, craft shops and interested visitors, the artist will have a wider forum for her/his work. Exhibitors in the Summer Sale will receive more information about this portfolio with their cheques.

Competition keen at regatta but the emphasis is on fun

from

Six teams entered the marathon canoe race. Bruce and Dave Bennett were the winners, with second place going to Joe Greer and George Thayer, and third to Max and Don Scott.

Dave and Bruce Bennett were the top paddlers in the men's doubles canoe race as well, finishing ahead of Bob Bevan and his partner.

In the mixed doubles canoe race, Dan Bound and Elaine Robinson proved unbeatable, with Vic and Barb Stephens in second spot.

There were seven entrants in the marathon swim this year. Miles Tapp was the winner, beating out Roger Doble, who finished second, and Wendy Shaw, who was third.

The swimming races attracted a large number of competitors as well, and with 14 categories contested, there was plenty of opportunity for youngsters to win a ribbon.

Winners were: Girls six and under: Kathy Sims, Sharon Clarkson, Mary Smith.

Boys six and under: Billy Miller, Bill Sagusack, Bob Pirie.

Girls, age seven: Janet Papidacos, Tina Papidacos.

Boys, age seven: Stevan Preston, Bill Miller, Blair Kants.

Girls, age eight: Pat Symmes, Mary Quin, Melanie Davis.

Boys, age eight: Andy Millar, Steven Preston, Allan Knight.

Girls, age 10: Jennifer Sule, Tanya Defrancesco, Harla Thomas.

Boys, age 10: Robin Newton, John Hughes, Peter Papidacos.

Girls, age 12: Cindy Dawsayar, Terry Wiskin, Lisa Dawsayar.

Boys, age 12: Jeff Miller, Kevin Antille, Robin Newton.

Competition was keen in the canoe events at the Haliburton Lake regatta Sunday afternoon. It was the 25th year for the event.

Girls and boys, age 14: Carrie Newton, Jeff Miller, Lee Ann Knight.

Girls and boys age 16: Carrie Newton, Cindy Dawsayar, Jeff Miller.

Girls and Boys age 18: Miles Tapp, Hugh Miller, Lee Ann Knight.

In the flutter board competition for boys and girls six and under, Billy Miller was first, Michael Parks was second, and Bob Peary third.

As part of the day's festivities, draws were held for a gas barbeque, won by Edna Kitching; a hydroslide, won by Ed Romanek; and a dirt bike, which was won by Doris Rasmussen.

Green garbage bags came in handy when the rain began to pelt down on regatta spectators Sunday afternoon at Haliburton Lake.

man and the duo of Pinkney and Benson.

Rowboats for two, 12 years and under, was won by the team of Castagnola/Gibbens, with Gibbens and Howitt second and the Johnstons third.

Canoes, mixed fours went to Ball, Mackenzie in first, Bensons in second, and Doublas in third.

Rowboat open was won by Fiorini and Hewlett, with Castagnola and Gibbens second, and Morrison and Parradine third.

Action was exciting in log rolling. Doug Lenart emerged the winner, with Brian Mackie hanging on for second place and Rick Benson finishing third.

Sailing events Sunday

The gunnel bobbing competition was won by C. Douglas, with Mike Carroll second and Jennifer Whitely third.

Ladies pie plate - fours was won by the Benson entry. Second was the Whitely entry, with the Balls in third spot.

Canoes - 16 and under - fours mixed was won by Howitt, Burley, Whitely, and Struthers, with Carroll, O'Neil, Bennet, Berlin second, and Kindree, Morrison, Parradine third.

Winners of the family canoe race were the Bensons. Second were the Douglas' entry, and third went to the Ball entry.

The pedal boat race was won by Wallace, Lane. Second were Morrison and Arradine, with the Hammond entry third.

The tug-of-war was won by the South Shore pullers.

In Sunday's sailing events, Reinhold Scheurer won the Laser class, with Ron Cochrane second and Pete Sulman third.

Among the windsurfers, Burkhard Klein was first, while second place went to Robert Demarco, with Jim Demarco third.

In the miscellaneous class, Lee Battiston was the winner, Don McLaughlin was second and Doug Burley was third.

Medals to be won

Be cautious with propane

Cylinders must be inspected every 10 years

Backyard chefs who cook with propane barbecues should check to make sure their propane cylinders are safe.

Ontario's propane code requires that 20- and 40-pound cylinders commonly used for barbecues and other camping appliances must be inspected at least every ten years. The date of manufacture or the most recent inspection is stamped on the raised collar that protects the cylinder valve.

Propane filling attendants, who must hold a certificate issued by the Fuels Safety Branch of the Ontario Ministry of Consumer and Commercial Relations, have been reminded of the importance of regular inspections. If an inspection is past due, or the cylinder has large dents, gouges or is badly corroded, it is illegal for the attendant to fill the cylinder.

John Patterson, Director of the Fuels Safety Branch, warns that a faulty cylinder could leak propane. If ignited, the escaped propane can cause serious injury or property damage.

"To play it safe, consumers should personally check the date on their cylinder," says Patterson. "If the inspection is overdue or there is any doubt about the condition of the cylinder, it should be taken to one of the many propane dealers who have employees authorized to make inspections."

Inspections cost about $15, and include replacement of the pressure relief valve.

Patterson stresses three keys to the safe handling of propane:

- Never keep propane cylinders inside a house or garage. Escaped propane is heavier than air and will settle in a low area where it may be ignited by a chance spark.
- Propane cylinders should be transported in an upright position in a well-ventilated part of the car.
- To check for leaks, connect the cylinder to the barbecue, apply a soap and water solution to connections and lines and turn on the cylinder valve. If bubbles appear, close the valve until repairs have been made.

Conference

Horseshoe Days popular once again

The clank of horseshoes and the crunch of metal were the predominant sounds in Gooderham over the weekend as that community got together to stage its annual Horseshoe Days festival.

Ringers were the order of the day on Saturday and Sunday as local residents and visitors tested their skills in the horseshoe pits.

In Saturday's doubles event, the team of Bill Cargill and Bruce Armstrong were the best of the day, taking first prize. Second place went to Harvey Roberts and Ron Barr. Third were Ray Coulson and Jack Laing, with Frank Shewring and Ron Young in fourth spot.

In the singles tournament on Sunday, Reg McGrath was the winner, followed by Harvey Roberts, Frank Shewring and Bill Cargill.

Saturday's schedule also included a canoe race, races, games, a bake and craft sale and an amateur talent contest.

In the under 18 category, first place went to a singing group made up of Nadia and Natasha Jacob of Oakville, Julie Clumpus of Caledon, and Dani Depetrillo of Hamilton.

Shawn Stoughton of Gooderham was second for his guitar playing, while Robbie Billings, also of Gooderham, sang well enough for third place.

The over 18 competition was won by Don Reil and Gary Graham. Second was Ted Hadley, who played the mouth organ. Third prize was awarded to Steve Allen of Peterborough who sang and played the guitar.

The Pic of the Past historical booth picture contest was won by Marg Hallam.

Sunday's main event was a demolition derby which attracted a large crowd and a good field of participants despite an almost constant rainfall.

There was plenty of excitement as competitors did their best to keep their cars running in the mayhem of a small paddock surrounded by spectators.

In the first heat, Jack Foottit was the winner in car 13½. The second heat went to Kemp Marritt in #25. The third heat was won by David Graham in 007.

In the feature event for top prize, Guy McCausland in car #69 was the last survivor, while Dale Oldham took second prize in car #84.

The best looking car of the day was David Grahams 007.

Winner of the powder puff competition was Doreen Wright in car #88.

A free for all was held for all the cars that could still move, and that event was won by Roger Schoonbroogdt.

Between heats spectators were treated to a tug-of-war exhibition. In the men's division the Wenona Lake squad provided unbeatable, while on the women's side, Tamarack Lake emerged victorious.

Rounding out the day was a draw for a Honda ATC, and it was won by Gerald Griffin of Haliburton.

District News

Kinmount Korner

by MILLIE MOSS

Well folks, the ACW of Kinmount St. James has done it again. The annual salad supper Saturday, July 23 was a tremendous success. Thank you to all our regular ladies for their hard work and to Mrs. Whitney, Joan Moore, Joan Mills, Eileen Bennett, Lyle Anderson, Ken Hyams and Jack Hills: thanks so much for the helping hands. Everyone seemed to enjoy themselves and we more than doubled our attendance this year.

Visitors at the home of Glenn and Marg Viney on "503" last weekend were son George Viney and Dianne Arsenault of Toronto.

Bill and Win Wilson had as guests over the weekend, Joan and Harold Mills of Pickering village.

Our next door neighbours, the Hyams, were enjoying the company of long time friends Eleanor and Stan Jones of Don Mills for a few days last week.

To those of you who asked: another Tupperware party to be held in this area will be at TJ's dining room in our town at 7 p.m., Tuesday, August 2.

On Monday, July 18, Vi and Albert Crego had Dale O'Hara, his wife Cheryl and their daughter Christina for the day. From the following Tuesday until Friday Joan and Jim Howe of Lindsay were guests and Colleen Crego of Lindsay was a guest Thursday until Friday so Vi and Albert were busy people that week.

Carrie and Sharon Gooding of Oshawa were guests for a few days at the home of June and Bill Cooper, RR1, Norland.

Happiness is having a home and family who love you. Welcome to Ricky Pickering who is now a full time member of the Suckling family. Ricky has found a real pal in young Molly Suckling.

Congratulations to Enza and Christopher Suckling upon the birth July 7, at Ross Memorial Hospital, Lindsay, of a beautiful, dark haired little girl named Stephanie Margaret Anne. She's a very happy baby and everyone is well.

I hope Sarah Suckling is all better from her bout with the flu.

I was sorry to hear Bill Barkwell was taken to hospital last Wednesday morning. We had been by their place only the previous afternoon and though I thought Bill looked tired, all seemed well at the time. Those kidney stones are nasty things.

Mary O'Toole is another of our people who has been in her bed quite a bit of late. You're missed at bingo, Mary, so get well soon.

Happy birthday to George Shepherd Sr., Tuesday, July 26, Joanne Swinson on Wednesday, July 27; Charlie Mertin on Monday, August 1; and "Boone" Swinson Wednesday, August 10.

Theresa Mertin is spending part of her summer with grandparents at their home in River John, Nova Scotia.

Results of the 11 tables of euchre players at St. James Hall in Kinmount, Tuesday, July 26 are: ladies' high, Clara Watson; ladies low, Ruby Holbrook; men's high, Danny Pappas; men's low, Antohony Dymott; most lone hands, Sam Duffy. A special draw was won by Flo Schlosser.

Mr. and Mrs. Ken Gibson of Thunder Bay spent two days with Bill, Bertha and Keith Stata recently.

A fun bingo is being held at the Kinmount Legion Hall every Wednesday evening beginning at 8 p.m. Everyone is welcome.

An open house to be held at Hyland Crest in Minden, on Sunday, August 21 from 2 p.m. to 4 p.m. will be in honor of Mrs. Eliza Chalmers who will be celebrating her eightieth birthday. Everyone is cordially invited to attend with best wishes only please.

Galway Cavendish "Summer Festival '83" will be held August 6, at the Fairgrounds, Kinmount. Events: 10 a.m. - giant auction sale - continued until all goods sold. 11 a.m. - horseshoe tournament. 12-5 p.m. - dunk tanks, pony rides, prizes and lucky draws, white elephant and bake tables, snack bar, children's games and rides. 8 p.m. - 1 a.m. wind up dance - featuring Lyle Gannon. Buffet at 12:30 a.m. At 11:30 p.m. there will be lottery draws. Plan to attend and enjoy a fun day. All proceeds from this event will be donated to the Community Building Funds.

I hear that a number of our local residents are down with the flu. I hope all of you are well very soon.

Attention Kinmount and area Horticultural Board of Directors: a meeting will be held at the home of President Mary Hartin Sr. on Thursday, August 4 at 8 p.m. You are asked to attend as we will be getting our coming flower show needs wound up at this time.

A 1980 Pontiac Phoenix hub cap was lost somewhere between Kinmount and Bobcaygeon recently. If you should find this article please phone 488-2219.

For the gourmet cook: Apple and Onion Beets - 1 tbsp. butter, 1 lb. beets, cooked, peeled and diced, 1 cup apples, peeled and diced, ¼ cup finely chopped onion, ¼ tsp. salt, 1 tbsp. brown sugar, 2 tsp. lemon juice. Melt butter in heavy skillet. Add all the ingredients and mix. Cover and cook at high temperature for one minute, lower heat and cook for a further three minutes. This concoction makes six servings.

I am glad to hear Dave McNamara is feeling better.

It sure looked like a real storm brewing a number of times last week but up to Thursday afternoon (as I write this) there is still no wet stuff for the lawns and flowers.

A beautiful, fluffy white kitten with a little greyish cross on top of its head was "dropped off" on 503 and was at the home of Doug and Marilyn Cameron as of Wednesday past. If you'd like to give this wee critter a home give the folks a call at 454-8781.

I can be reached at 488-2353 (if I'm home). In the meantime, stay well and happy and be here next week.

Barrel racing was one of the events at the Cardiff festival over the weekend, and it went on despite a heavy downpour.

Carnarvon News

Mr. and Mrs. Wayne Toye and two girls had a couple of days last week camping in the Wildlife area.

Mr. and Mrs. Don Epp and family spent the holiday weekend with the Windsors, Phyllis' parents.

The Twelve Mile Lake Regatta was held last Saturday, followed by a dinner at West Guilford. The evening was spent in dancing. It was a gala event and enjoyed by everyone.

Mr. and Mrs. Morley Edwards and family of Niagara Falls are spending a couple of weeks visiting with relatives in the area. They spent some time in the hunting camp with Allan and Cathy Thomas.

Mr. Bill McKay and Tony Pigat are spending some time at the McKay cottage on Matagami Lake.

Wishes for a speedy recovery to Mrs. Moss Davis who is a patient in the Civic Hospital, Peterborough following surgery.

Miss Wendy McKay of Toronto is spending a few weeks with her grandparents, the Max McKays.

Coboconk News

by SHEILA LAKE

Mrs. Rotha Bryant and husband Roy are back home at Norland following a delightful holiday to the USA and Canada's west coast. Rotha Bryant is grand representative of the state of Washington in Ontario for the Grand Chapter of the Order of the Eastern Star. Rotha and Roy flew to Vancouver on June 22, then went by bus to Tracoma, Washington the same day.

The meeting of the Grand Chapter of Washington was held in the field house of the University of Puget Sound from June 23 to June 25 inclusive. At the close of this memorable occasion, Roy and Rotha were guests for three and one half days of Anita Cole who is Grand Representative of Ontario in the State of Whasington and her husband, Richard, at Elma, Washington. They showed the Bryants the large trees, logging operations, salmon fishing at the coast, the mountains including the volcanic Mount St. Helens, and the highest mountain, Mount Raivier.

From Port Angeles, Washington, Rotha and Roy flew to Victoria and met Roy's brother, Frank and his wife.

They toured Vancouver Island and the B.C. mainland for two weeks, then flew home from Calgary on July 12. They report excellent holiday weather throughout, cooler than in Ontario.

Winners in the seniors card games on Tuesday evening were as follows: euchre - first - Phyl Pearce, 75; second - Hilda Woodcock, 73; most lone hands - Hilda Woodcock, four. Consolation - Kay Clodd, 36. Men's first - Les Holgate, 75; second - Eunice Kingdon, 73, most lone hands - Les Holgate, six, and consolation winners, in a tie, were Les Thomas and Ed Holland. Bridge winners were Peggy Saunders, 4060, and Jim Alcorn, 3340.

The Lions Carnival is now history and with ideal weather, it was a huge success. Winners in the cash draw were as follows. First prize, $300, Mr. G. Evans; second, $100, R.B. Schreyer; third, $50 - Ron Pearce.

The Demolition Derby on Saturday saw a huge crowd. First prize, $300 - Jim Grant, a Mount Albert entry; second prize, $150 - Brian Swain of Coboconk; third prize, $75 - John Bradamore of Coboconk.

A $15 prize was awarded to the best decorated car entry. A Toronto resident, Denise Jones was the winner, and she decorated Dale Weaver's car entry.

It's great to see Frank Bigson home and able to be out, following heart surgery in Toronto.

Mrs. Gail Kay and children, her sister, Brenda and husband, Ken Chynoweth and family enjoyed a holiday in the Collingwood area last week.

Mrs. M. Limrick is home after a holiday at Brampton. She, Catherine Harrison and I enjoyed a trip to Newmarket on Tuesday and met our son, Bob Lake at Newmarket, where we enjoyed lunch together.

Gooderham News

by MARY HADLEY

The service at the United Church last Sunday was special since it included the christening of Joshua Murray Pickens, son of Murray and Pat Pickens of Kelowna, B.C. who were, with their two daughters, visiting relatives here and chose this time for the happy event. Assisting the pastor, Maurice Bradley, was Rev. Fred Elstone while the baby's grandmother, Mrs. Mae Pickens, was able to take her place at the altar with the parents. Little Joshua created smiles when, after being christened, he seemed to like Maurice so well that he clung to him, almost refusing to return to his parents.

Guests from out of town for the occasion included aunts and uncles: Merle and Anne Pickens of Timmins, and John and Leona Mackie of St. Catharines; friends of the parents: Mr. and Mrs. Clark and two children of Toronto.

Following the service, about 45 friends gathered at the home of Mrs. Pickens for a social time and to meet the guests. A lunch was served which included a christening cake beautifully decorated by Vanieta Pickens.

The strawberry supper on Saturday last sponsored by the Chatterbox Girls was a delicious meal. The proceeds will assist the girls to attend camp in August. They wish to extend their thanks to those who worked hard in planning, preparing and serving at this time as well as to those who attended.

On August 6 at the Orange Hall there will be a continuation of the sale of bargains in aid of the Chatterbox Girls' camping trip. Many new and good items have been donated so be sure to visit and look them over. You may find just what you are looking for.

Violet Billings has returned from a pleasant camping trip to Manitoulin Island with her daughter and son-in-law Ruth and Robert Madill.

Visiting with Claribel Sheehan are her grandson, Paul McQuillan, his wife, Laura, and four children of St. Catharines.

Don't forget the foot clinic in the Community Centre on August 15. Phone 447-2803 for an appointment.

MUSIC TO DANCE TO THURS. FRI. & SAT. NIGHTS

Norland Natter

by KELLY GRAHAM

The rain has come and the heat wave has broken. I guess I'll just have to put my tan on hold.

Last week I mentioned a baseball dance on August 6. I promised to have all the details for you this week. Well, here they are: it will be on Saturday, August 6, at the Norland Community Hall. The price will be eight dollars a couple and tickets will be sold at the door. Music will be performed by "Whisky Sunrise" and a light lunch will be served. The dance is being sponsored by the Nor-Cob-Cats baseball team. Sounds like fun - why not plan to attend?

Last Sunday a few Norland residents travelled to Haliburton for a huge birthday party. The friends and relatives of former Norlander John Beachli Junior threw a party for 150 guests. It was held in the garden of the Beachli home. Highlight of the dinner was a barbecued pig roasted whole on a large spit. After the meal and the judging of numerous comedy cards an outdoor dance was held. Among those attending were John Beachli Sr., Lynda and Mike Easton, Mary and Norm Graham, and Beverly and Dave Graham.

Mrs. John Black and children, Jason and Joel from Edmonton, Alberta will be leaving August 2 after spending a month with her parents Mr. and Mrs. Neil Godard on Lake Kashagawigamog (don't worry - I can't pronounce it either). They also enjoyed a family reunion with a long lost brother Mr. Hugh Godard and family from Bath, Ontario.

The winner of Shirley Harrison's latest Wintario ticket was Ola Chamberlain. Lucky Ola.

The following names are of Fenelon Falls Secondary School students from Norland and Coboconk who have achieved a mark of 80 per cent or better and have earned a place on the honor list. Grade nine, Tracey Cook, Dwayne Farrow; Grade ten, Christina Garrels, Robbie Landry, Bradley Lytle, Jenni Moffett, Diane Powell; Grade eleven - Corielynn Weaver. There were no honor students from our area in grades twelve or thirteen. The former names mentioned should be highly commended on their academic excellence.

The Coboconk fair was once more a great success free of the rain that was threatened.

Friday, July 29 marks the end of the New Kawartha's swim and water safety four-week program at the Lion's Park in Coboconk. On that morning participants will receive their badges and presentations will be made by all the color groups. As a participant in this program I found it very informative and also a lot of fun!

Now I would like to proudly acknowledge a Norland man's bravery. Last Sunday, July 17 at 4:45 a.m. there was a single car accident on Highway 503 one mile east of Norland. The car carried two male passengers - one was thrown out and one was trapped inside the vehicle. Mr. Elmore Doner who lives nearby appeared on the scene, after hearing the crash, to find the engine already on fire. With no thought for his own safety he pulled the trapped victim through the open window of the flaming car. The entire car later burned. If it hadn't been for Mr. Doner's courageous action both of the men involved in the accident would not have survived. An effort is being made to see that Mr. Doner's heroic deed is recognized.

The euchre scores for Thursday, July 28 were as follows, ladies high - Debbie Gostlin, men's high - Roger Gostlin, lone hands - Joan Browins, Faye Boldue, skunkers - Paul and Susie Lightfoot, and Ada Thomas and Michael Puterbaugh. Many thanks to Debbie Gostlin for relaying the euchre scores to me each week.

Well, that's it for this week. If you have anything you would like me to print please call me at 454-3707. Remember, because of publication deadlines anything you wish to submit must be phoned in to me at least 10 days in advance of the date you want to see it published!

Ooops, I almost forgot: the features playing at the Highlands Cinema in Kinmount for August 5 and 6 are "Tootsie (7:00, adult accompaniement) and "The Verdict" (9:30, adult accompaniment).

Rain put a damper on some of the activities at Cardiff townsite's first community festival over the weekend, but at least there was a tent for people to take shelter under.

Wilberforce News

Terrace Inn is a fine tourist resort. It is pleasantly situated on a hillside overlooking Dark Lake. 1983 marks the 50th anniversary of Terrace Inn.

Our earliest little red school house once occupied this spot and it became home later to many different tenants. Archie Tripp lived there and at one time the Clapper family, whose name became news last year when they moved from Peterborough to Manitoba where subsequent conflict with thier neighbors forced their return to Ontario.

Roy Plato was responsible for Terrace Inn. He was a man of Greek origin who possessed a colorful personality. He arrived in the area in the early thirties and built himself a home made from hemlock slabs on the old highway near the present home of Len Holmes. He had a keen eye for business and purchased the old school property, tore down the building and moved his cottage to the site. He named his new enterprise Terrace Inn.

Roy Plato was a friendly man. In no time at all he had all the guests he could handle. He catered to hunters and fishermen. Fish and game were plentiful at that time.

When Mr. Plato retired he sold his business to Mel Broughton. Mr. Broughton made many improvements to the property. He put up cabins and added comforts for his tourists. He and his wife were popular. They were good cooks and took part in many community affairs. Finally Mr. Broughton retired and sold his business to a young couple by the name of Oxenham. After a brief ownership they moved on and Peter Priestman, the present congenial owner, took over. Mr. Priestman and his mother are quite happy with life at Terrace Inn and find that many of their guests are anxious to return to this relaxing spot.

Congratulations to Terrace Inn on its fiftieth anniversary.

The Anglican Church ladies have had a busy summer. They have held two successful rummage sales in July and greatly appreciate the articles and clothing left at the church to make the sales possible.

In the middle week of July a summer vacation bible school was held for the children; there was an enrolment of 33 youngsters. These classes were under the guidance of Julie Kennedy with the assistance of local church women.

An improvement to St. Margaret's church is a flagstone walk installed by Tony Berning.

For the many people who look forward to attending the annual memorial service in Essonville, this year it takes place on August 7 at Christ Church and will be under the auspices of the Anglican Church. The speaker will be the Rev. John Phillips and the service begins at 2:30 p.m.

The Wilberforce Rock Hound Fair takes place this weekend on Friday, Saturday and Sunday. There is an interesting schedule that includes field trips, rock swaps, lapidary, carving and silversmithing demonstrations. The Monmouth arena and the Memorial Centre will be open for the event. There will be a fascinating display of gem and mineral exhibits. Discover what a fine selection of rocks and stones are available in the Monmouth area and examine those from other world wide locations.

Jim Robinson came to this area about 15 years ago. He fell in love with Haliburton and still talks about return-

AH & M council minutes

Anson, Hindon and Minden council met last Tuesday and considered the following:

Leroy Lichty was present on behalf of the Haliburton County Snowmobile Association.

Council agreed to allow the Haliburton County Snowmobile Association to hold its annual snow machine drag races on grass in the Minden Fairgrounds on September 3 and 4, 1983 providing that the grounds are left in a clean and tidy condition.

Council also approved the Haliburton County Snowmobile Association's application to operate a bavarian garden in conjunction with their annual snow machine drag races on grass to be held in Minden Approved Park on part of Lot 5 Concession A. Township of Minden on September 3 and 4, 1983.

Council had no objections to an application for a minor variance made by Arthur Sutton to construct an addition to his existing cottage 56 feet from the normal high water mark in part of lot 12, concession 13 for the Township of Minden.

Council had no objections to Robert and Marilyn Cowie's application for a minor variance to construct an addition for an enclosed sun porch and enlarged living-room 29 feet from the normal high water mark of Soyer's Lake ie part of Lot 31, Concession 9 and 10 for the Township of Minden.

Jack Stevenson attended regarding the status of an old road which serves as access to his property and requested that in view of affidavits submitted from area residents confirming that their relatives had performed manual work on said road and were paid for services rendered, that Council recognize the road situate on Lot 17 and 18 Concession 6 for the Township of Minden as a public road and therefore should not be stopped up.

The Clerk was directed to obtain a legal opinion regarding the possible implications surrounding this matter.

Gord Monk and Stuart Brandon of the Minden Business Improvement Area Board of Management were present regarding the amount of funds that were to be set aside annually for improvements in the downtown core of Minden. The Clerk advised that the minutes did not indicate a resolution had been passed in approximately March of 1980 dealing with this matter but confirmed that an annual amount of $20,000 had been placed in the budget since 1981, forward.

Keith Hughes will be allowed to construct a road on a portion of the original concession allowance between Lots 20 and 21 Concession 6 for the Township of Minden providing (A) that the property involved be surveyed at no cost to the township, (B)

Dorset News

by PHYLLIS BRISCOE

"Wisdom is knowing when to speak your mind and when to mind your speech."

Dorset Pioneer week got off to a good start on Saturday with a very successful bake sale and a tremendous flea market, as well as a pancake and sausage breakfast in the community centre on Sunday morning. Many of the ladies were dressed in period costume, looking charming and adding atmosphere to the events. The flea market and bake sale are annual events, sponsored by the community centre board and held on Civic Holiday weekend and coincided with the beginning of Pioneer week. A great deal of planning and hard work by a great many people has gone into the events to take place during the week, so we are hoping it will be a great success. There are a number of activities planned that are reminiscent of happenings in the early part of the century which should make for interesting entertainment and nostalgia for the oldsters.

We hope that everyone pays attention to the warnings being given by Natural Resources personnel, to be extremely cautious where fire is concerned. All of the trees, bushes, shrubs and even the grass is tinder dry, and even a spark from a motor such as a chainsaw could start a conflagration, which once started spreads rapidly and first thing you know there is a forest fire. Our forests are too precious to be eliminated by anyone's carelessness. It isn't intentional, I'm sure, but just lack of being aware that even lighting a match in a forest is very dangerous, when everything is so dry. I know most everyone likes hot summer weather, but a nice all night rain would be a great relief. There is bound to be a shortage of fruits and vegetables so up will go the prices. We don't need a deluge like they received further south but oh, we do need rain. Remember that in your prayers.

Many happy returns to our friend Art Walkden who celebrates on August 3. May he have a happy day and good health and happiness in the year ahead.

The first jackpot for one hundred dollars was won last Thursday night at the Lions Bingo. There is another hundred up for grabs and can be won on Monday or Thursday nights at the community centre.

Shirley and Stan Cowal spent their holidays at their cottage on the bay. The Cowals make their home in St. Catherines.

Mrs. Hazel Sears is home after spending a couple of weeks visiting relatives in Mississauga, Hamilton and Niagara Falls.

There was an interesting article about a cat that was given recognition for bravery, in spite of wounds received in battle, he did his job of ridding the ship, of which he was the mascot, of rats. It was sad that when the ship returned to England, Simon the cat was quarantined and thus separated from his shipmates, whom he loved and who loved him. He pined away and died of loneliness. Being a cat lover, I know what loneliness can do to one, if you are forced to leave them alone for any length of time. I had to leave my angel for a month last November and his personality really changed. He still rings the doorbell, but ignores me a lot of the time and acts so independent; just showing me he can get along without me, I guess.

H.H. Once again, Exposure to direct sunlight softens instead of ripening tomatoes, leave stem up in a dark place, like a towel drawer.

Their family.
25-P-3

27. thank you

STANHOPE FUN DAY COMMITEE wish to thank everyone who helped to make the day a success.
27-B-3

Thanks seems not enough but it is the only way we have of expressing our deep gratitude to all who made our "Golden Anniversary" such a happy and joyous event, the cards, gifts and most of all the presence of friends, relatives and family. Special thanks to our so called "Star Boarders" who are more like family, for their kind words and to Grace and Barb who travelled so far to be with us. Then loving thoughts to Scotty and Emily who made it all possible, and to our dear church friends for their excellent catering. May God bless you all.
Albert and Wilda
27-P-3

I would like to thank my family, friends, for prayers, cards, gifts, flowers and visits, during my stay in hospital. Special thanks to Rev. John Phillips, also doctors and nurses at St. Joseph's and Haliburton Red Cross Hospitals.
Special thanks to the nurses for putting up with this pillow stuffin person.
My sincere thanks to all,
Madeline Austin
27-P-3

BRIDES - have your wedding professionally photographed, 457-2767.
30-CA-TF

32. in memoriam

ORR - Treasured memories of a dear uncle, James Milton, who went to be with Jesus on August 6, 1979.
He had a smile, a pleasant way,
A helping hand to all he knew;
He was so kind, so generous and true,
On earth he nobly did his best,
Grant him, Jesus, heavenly rest.
Lovingly remembered by John, Carol, Timothy and Kimberly McNeil.
32-P-3

DART - In loving memory of a dear sister-in-law, Nellie Dart, who passed away August 8, 1982.
You left us suddenly,
It made us wheep and cry,
But the saddest part of all Nellie
We didn't say goodbye,
May you always walk in sunshine,
And God's love around you glow,
For the happiness you gave us,
Everyone seems to know.
Lovingly remembered by Don and Francis, Jack and Jean, Bud and Grayce.
32-B-3

32. in memoriam

BROHM - In loving memory of our dear sister Pauline Brohm, who passed away August 2, 1982.
A cluster of precious memories,
Sprayed with a million tears,
Wishing God could have saved you Pauline,
If only a few more years,
You left us beautiful memories,
In sorrow too great to be told,
But to us who loved and lost you,
Your memory will never grow old.
Lovingly remembered by Don and Francis, Jack and Jean, Bud and Grayce.
32-B-3

SMITH - In loving memory of Gladys Evelene (nee LaPorte), devoted wife, mother, grandmother and great grandmother, who passed away quietly on August 8, 1982.
In a quiet little cemetery, where the gentle breezes blow,
Lies the one we love so dearly, and lost one year ago.
Your resting place we visit, and put flowers there with care
But no one knows the heartaches, as we turn and leave you there.
Sadly missed by husband Hudson of Peterborough, and her children, the LaPorte families of Lindsay and Haliburton. 32-P-3

BROHM, PAULINE - In loving memory of a dear wife, mother and grandmother who passed away August 2, 1982.
We can't have old days back,
When we were all together.
But secret tears and loving thoughts
Will be with us forever.
Sadly missed by Bob, Doug, Jack and Linda, Michael and Gina.
32-P-3

Heart fund reaches 1983 objective

At the close of its fiscal year, the Canadian Heart Fund, Ontario Division, has reached its $8.45 million annual campaign objective. The 1983 campaign which was conducted during February in Ontario exceeded its goal by $28,611. Door-to-door canvassing, special events, corporate solicitations, the sale of 'Roses for Research', and In Memoriam donations; all contributed to the final total of $8,478,611.

Bequests and other sources of income combined with campaign receipts will allow the Ontario Heart Foundation to allocate $11,200,000 to heart disease and stroke research in Ontario, for the 1983-84 granting period.

In presenting his report, Alex D. Broomfield, the 1983 Canadian Heart Fund Chairman said, "residents in the Province of Ontario can be proud of their substantial contributions to the crusade against heart disease and stroke. Evidence to date, that research has paid off, is in the fact that the overall death rate is down 27 per cent

Stanhope council minutes

clerk was directed to contact the Zion United Church Board and arrange a mutual agreement on the costs etc., of the road closing by-law.

A heat pump will be installed in the library building by Jim Chalk Refrigeration and the extra warranty is to be included.

Council agreed to the financial allotment to the Township by the Provincial Government for the holding of events in celebrating Ontario Bi-Centennial Year, will be spent on purposes in keeping with these public celebrations. Council also requested any additional funding which might become available under this program in the future.

Council approved general accounts totalling $13,608.52 Welfare for June, $4,270.09, and road voucher 6 totalling $36,661.26.

By-laws 83-18 to ammend by-law 77-15 as amended by by-law 83-8; 83-19 to authorize the execution of documents; 83-20 to appoint a Chief of the Stanhope Fire Department and 83-21 to appoint a deputy-chief of the Stanhope Fire Department were received and passed.

The next regular meeting of council will be held Wednesday, August 10, 1983 at 8:30 a.m.

Minden

that the municipality shall not be responsible if the applicant encroaches onto private property with said road, and (C) upon completion, the concession allowance shall remain open to the township for its general use.

Council, having reviewed the letter from paragon Engineering Limited regarding including Lutterworth Township in our floodline mapping project, agreed that the total contract be apportioned on the basis of the area to be mapped as follows: Anson, Hindon and Minden 65 per cent of $35,227 equals $22,-898.00. Lutterworth 35 per cent of $35,227 equals $12,-329. The reeve and clerk were authorized to endorse the required contract upon approval of the Ministry of Natural Resources.

R.C. Schell was authorized to attend a rehabilitation skills training course in Ottawa on October 16-21, 1983 and that policy number four shall apply.

R. Foran's application to improve the shoreline fronting his property in part of lot 5, concession III for the Township of Minden was approved subject to the following conditions: (a) approval from Ministry of Natural Resources for this file number 54.04.06. (b) work to be completed within 12 months of date of approval or application must be reconsidered.

Council accepted the quotation of Robert Lehman Planning Consultants Ltd. to prepare an official plan for the townships of Anson, Hindon and Minden subject to final confirmation of contractual details.

By-law 83-15, a by-law to rescind municipal zoning by-law 82-11 notwithstanding council's intention to consider this an interim measure pending the successful completion of an official plan and subsequent comprehensive zoning by-law to administer same, was passed.

Wilberforce

from page 13

ing some day. He enjoyed exploring all the little roads that turn off the highway and he found some marvellous places that we never think of looking for. He taught school at West Guilford, lower grades, for a while and was a popular teacher.

After returning to his former home in Kingston he tackled several jobs and always seemed to find something interesting to do.

We have just received a copy of the Kingston paper, The Whig Standard, and this shows Jim in colorful costume tackling his latest job as Town Crier. An accompanying article tells of several history articles written by Jim over the years. He has also written for the United Counties Packet, the Canadian Illustrated News and Kingston This Week. He won an award in a short story contest and second prize in a National Film Board contest for a script idea on pirate Bill Johnson.

He is contented to be doing what he most enjoys and perhaps some day he will return to Haliburton, his place of happy memories.

The Legion ladies will be serving a buffet supper on Saturday, August 6. The time will be about five p.m. Everyone knows you can count on this group for an extra special meal. At this time the draw for tables will take place. Place for the supper is the Legion Hall.
